Subpart A—General Information

§ 502.1 Scope of rules in this part.

The rules in this part govern procedure before the Federal Maritime Commission, hereinafter referred to as the *Commission*, under the Shipping Act, 1916, Merchant Marine Act, 1920, Intercoastal Shipping Act, 1933, Merchant Marine Act, 1936, Shipping Act of 1984, Administrative Procedure Act, and related acts, except that subpart R of this part does not apply to proceedings subject to sections 7 and 8 of the Administrative Procedure Act, which are to be governed only by subparts A to Q inclusive, of this part. They shall be construed to secure the just, speedy, and inexpensive determination of every proceeding. [Rule 1.] To this end, all

§ 502.2

persons involved in proceedings conducted under the rules of this part shall be required to consider at an early stage of the proceeding whether resort to alternative dispute resolution techniques would be appropriate or useful.

[49 FR 44369, Nov. 6, 1984, as amended at 58 FR 38649, July 19, 1993]

§ 502.2 Filing of documents; hours; mailing address.

(a) For purposes of filing of documents with the Commission, the hours of the Commission are from 8:30 a.m. to 5:00 p.m., Monday to Friday, inclusive.

(b) Except for exhibits filed pursuant to § 502.118(b)(4) and petitions for review of final agency orders served on the Commission pursuant to 28 U.S.C. 2112(a), all documents required to be filed in, and correspondence relating to proceedings governed by this part should be addressed to *Secretary, Federal Maritime Commission, Washington, DC 20573-0001*. Petitions for review of final agency orders served on the Commission pursuant to 28 U.S.C. 2112(a) shall be addressed to *General Counsel, Office of the General Counsel, Federal Maritime Commission, Washington, DC 20573-0001*.

(c) Documents relating to any matter pending before the Commissioners for decision or to any matter pending before the Commission which is likely to come before the Commissioners for decision, whether or not relating to proceedings governed by this part, shall similarly be filed with the Secretary, Federal Maritime Commission. Such documents should not be filed with or separately submitted to the offices of individual Commissioners. Distribution to Commissioners and other agency personnel is handled by the Office of the Secretary, to ensure that persons in decision-making and advisory positions receive in a uniform and impersonal manner identical copies of submissions, and to avoid the possibility of ex parte communications within the meaning of § 502.11(b). These considerations apply to informal and oral communications as well, such as requests for expedited consideration.

(d) No filings relating to matters scheduled for a Commission meeting will be accepted by the Secretary if

46 CFR Ch. IV (10-1-96 Edition)

submitted subsequent to public announcement of the particular meeting, except that the Commission, on its own initiative, or pursuant to a written request, may in its discretion, permit a departure from this limitation for exceptional circumstances. (See § 503.82(e) of this chapter.) [Rule 2.]

[52 FR 27002, July 17, 1987, as amended at 53 FR 13270, Apr. 22, 1988]

Persons named in a rule or order shall notify the Commission during business hours on or before the day on which such rule or order becomes effective whether they have complied therewith, and if so, the manner in which compliance has been made. All rules or orders issued by the Commission in any proceeding covered by this part shall, unless otherwise specifically provided, be signed and authenticated by seal by the Secretary of the Commission in the name of the Commission. [Rule 4.]

[Rule 7.]

§ 502.8 Denial of applications and notice thereof.

Except in affirming a prior denial or where the denial is self-explanatory, prompt written notice will be given of the denial in whole or in part of any written application, petition, or other request made in connection with any

Federal Maritime Commission

§ 502.11

proceeding under this part, such notice to be accompanied by a simple statement of procedural or other grounds for the denial, and of any other or further administrative remedies or recourse applicant may have where the denial is based on procedural grounds. [Rule 8.]

§ 502.9 Suspension, amendment, etc., of rules in this part.

The rules in this part may, from time to time, be suspended, amended, or revoked, in whole or in part. Notice of any such action will be published in the FEDERAL REGISTER. [Rule 9.]

§ 502.10 Waiver of rules in this part.

Except to the extent that such waiver would be inconsistent with any statute, any of the rules in this part, except §§ 502.11 and 502.153, may be waived by the Commission or the presiding officer in any particular case to prevent undue hardship, manifest injustice, or if the expeditious conduct of business so requires. [Rule 10.]

§ 502.11 Disposition of improperly filed documents and ex parte communications.

(a) *Documents not conforming to rules.* Any pleading, document, writing or other paper submitted for filing which is rejected because it does not conform to the rules in this part shall be returned to the sender;

(b) *Ex parte communications.* (1) No person who is a party to or an agent of a party to any proceeding as defined in § 502.61 or who directly participates in any such proceeding and no interested person outside the Commission shall make or knowingly cause to be made to any Commission member, administrative law judge, or Commission employee who is or may reasonably be expected to be involved in the decisional process of any such proceeding, an ex parte communication relevant to the merits of the proceeding;

(2) No Commission member, administrative law judge, or Commission employee who is or may reasonably be expected to be involved in the decisional process of any agency proceeding, shall make or knowingly cause to be made to any interested persons outside the Commission or to any party to the pro-

ceeding or its agent or to any direct participant in a proceeding, an ex parte communication relevant to the merits of the proceeding. This prohibition shall not be construed to prevent any action authorized by paragraphs (b) (5), (6) and (7) of this section;

(3) "Ex parte communication" means an oral or written communication not on the public record with respect to which reasonable prior notice to all parties is not given, but it shall not include requests for status reports or communications regarding purely procedural matters or matters which the Commission or member thereof, administrative law judge, or Commission employee is authorized by law or these rules to dispose of on an ex parte basis;

(ii) Memoranda stating the substance of all such oral communications; and

(iii) All written responses and memoranda stating the substance of all oral responses to the materials described in paragraphs (b)(4)(i) and (b)(4)(ii) of this section;

(5) The Secretary shall place the materials described in paragraph (b)(4) of this section in the correspondence part of the public docket of the proceeding and may take such other action as may be appropriate under the circumstances;

(6) Upon receipt of an ex parte communication knowingly made or knowingly caused to be made by a party to a proceeding, the Commission or the presiding officer may, to the extent consistent with the interests of justice and the policy of the statutes administered by the Commission, require the party to show cause why his or her claim or interest in the proceeding should not be dismissed, denied, disregarded, or otherwise adversely affected on account of the making of such communication;

(7) An ex parte communication shall not constitute a part of the record for

decision. The Commission or the presiding officer may, to the extent consistent with the interests of justice and the policy of the statutes administered by the Commission, consider a violation of paragraph (b) of this section sufficient grounds for a decision adverse to a party who has knowingly caused such violation to occur and may take such other action as may be appropriate under the circumstances. [Rule 11.]

(i) Identification of issues which can be resolved readily on the basis of documents, admissions of fact, or stipulations;

(ii) Identification of any issues which require evidentiary hearing, together with the reasons why these issues cannot be resolved readily on the basis of documents, admissions of facts, stipulations or an alternative procedure;

(iii) Requests for cross-examination of the direct written testimony of specified witnesses, the subjects of such cross-examination and the reasons why alternatives to cross-examination are not feasible;

(iv) Requests for additional, specified witnesses and documents, together with the reasons why the record would be deficient in the absence of this evidence; and

(v) Procedural suggestions that would aid in the timely disposition of the proceeding.

(g) The provisions of this section are designed to enable the presiding officer to complete a hearing within sixty (60) days after the proposed effective date of the tariff changes and submit an initial decision to the Commission within one hundred twenty (120) days pursuant to section 3(b) of the Intercoastal Shipping Act, 1933. The presiding officer may employ any other provision of the Commission's Rules of Practice and Procedure, not inconsistent with this section, in order to meet this objective. Exceptions to the decision of the presiding officer, filed pursuant to § 502.227 shall be served no later than fifteen (15) days after date of service of the initial decision. Replies thereto shall be served no later than ten (10) days after the date of service of exceptions. In the absence of exceptions, the decision of the presiding officer shall be final within 30 days from the date of service, unless within that period, a determination to review is made in accordance with the procedures outlined in § 502.227.

(h) Intervention by persons other than protestants ordinarily shall not be granted. In the event intervention of such persons is granted, the presiding officer of the Commission may attach such conditions or limitations as are

deemed necessary to effectuate the purpose of this section. [Rule 67.]

§ 502.68 Declaratory orders and fee.

(a)(1) The Commission may, in its discretion, issue a declaratory order to terminate a controversy or to remove uncertainty.

(2) Petitions for the issuance thereof shall: state clearly and concisely the controversy or uncertainty; name the persons and cite the statutory authority involved; include a complete statement of the facts and grounds prompting the petition, together with full disclosure of petitioner's interest; be served upon all parties named therein; and conform to the requirements of subpart H of this part.

(3) Petitions shall be accompanied by remittance of a \$162 filing fee.

(b) Petitions under this section shall be limited to matters involving conduct or activity regulated by the Commission under statutes administered by the Commission. The procedures of this section shall be invoked solely for the purpose of obtaining declaratory rulings which will allow persons to act without peril upon their own view. Controversies involving an allegation of violation by another person of statutes administered by the Commission, for which coercive rulings such as payment of reparation or cease and desist orders are sought, are not proper subjects of petitions under this section. Such matters must be adjudicated either by filing of a complaint under section 22 of the Shipping Act, 1916 or section 11 of the Shipping Act of 1984 and § 502.62, or by filing of a petition for investigation under § 502.69.

(c) Petitions under this section shall be accompanied by the complete factual and legal presentation of petitioner as to the desired resolution of the controversy or uncertainty, or a detailed explanation why such can only be developed through discovery or evidentiary hearing.

(d) Replies to the petition shall contain the complete factual and legal presentation of the replying party as to

the desired resolution, or a detailed explanation why such can only be developed through discovery or evidentiary hearing. Replies shall conform to the requirements of § 502.74 and shall be served pursuant to subpart H of this part.

(e) No additional submissions will be permitted unless ordered or requested by the Commission or the presiding officer. If discovery or evidentiary hearing on the petition is deemed necessary by the parties, such must be requested in the petition or replies. Requests shall state in detail the facts to be developed, their relevance to the issues, and why discovery or hearing procedures are necessary to develop such facts.

(f)(1) A notice of filing of any petition which meets the requirements of this section shall be published in the FEDERAL REGISTER. The notice will indicate the time for filing of replies to the petition. If the controversy or uncertainty is one of general public interest, and not limited to specifically named persons, opportunity for reply will be given to all interested persons including the Commission's Bureau of Enforcement.

(2) In the case of petitions involving a matter limited to specifically named persons, participation by persons not named therein will be permitted only upon grant of intervention by the Commission pursuant to § 502.72.

(3) Petitions for leave to intervene shall be submitted on or before the reply date and shall be accompanied by intervenor's complete reply including its factual and legal presentation in the matter.

(g) Petitions for declaratory order which conform to the requirements of this section will be referred to a formal docket. Referral to a formal docket is not to be construed as the exercise by the Commission of its discretion to issue an order on the merits of the petition. [Rule 68.]

[49 FR 44369, Nov. 6, 1984; 49 FR 47394, Dec. 4, 1984; 59 FR 59170, Nov. 16, 1994; 61 FR 51233, Oct. 1, 1996]

§ 502.69 Petitions—general and fee.

(a) Except when submitted in connection with a formal proceeding, all claims for relief or other affirmative

action by the Commission, including appeals from Commission staff action, except as otherwise provided in this part, shall be by written petition, which shall state clearly and concisely the petitioner's grounds of interest in the subject matter, the facts relied upon and the relief sought, shall cite by appropriate reference the statutory provisions or other authority relied upon for relief, shall be served upon all parties named therein, and shall conform otherwise to the requirements of subpart H of this part. Replies thereto shall conform to the requirements of § 502.74.

(b) Petitions shall be accompanied by remittance of a \$162 filing fee. [Rule 69.]

[49 FR 44369, Nov. 6, 1984, as amended at 52 FR 4143, Feb. 10, 1987; 59 FR 59170, Nov. 16, 1994]

§ 502.70 Amendments or supplements to pleadings.

(a) Amendments or supplements to any pleadings will be permitted or rejected, either in the discretion of the Commission if the case has not been assigned to a presiding officer for hearing, or otherwise, in the discretion of the officer designated to conduct the hearing, except that after a case is assigned for hearing, no amendment shall be allowed which would broaden the issues, without opportunity to reply to such amended pleading and to prepare for the broadened issues. The presiding officer may direct a party to state its case more fully and in more detail by way of amendment.

(b) A response to an amended pleading must be filed and served in conformity with the requirements of subpart H of this part and § 502.74, unless the Commission or the presiding officer directs otherwise. Amendments or supplements allowed prior to hearing will be served in the same manner as the original pleading, except that the presiding officer may authorize the service of amended complaints directly by the parties rather than by the Secretary of the Commission.

(c) Whenever by the rules in this part a pleading is required to be verified,

the amendment or supplement shall also be verified. [Rule 70.]

[49 FR 44369, Nov. 6, 1984, as amended at 58 FR 27210, May 7, 1993]

§ 502.71 Motions for more definite statement.

If a pleading (including a complaint or counter-complaint filed pursuant to § 502.62 or § 502.64) to which a responsive pleading is permitted is so vague or ambiguous that a party cannot reasonably be required to frame a responsive pleading, the party may move for a more definite statement before interposing a responsive pleading. The motion shall be filed within 15 days of the pleading and shall point out the defects complained of and the details desired. If the motion is granted and the order of the presiding officer is not obeyed within 10 days after service of the order or within such time as the presiding officer may fix, the presiding officer may strike the pleading to which the motion was directed or make such order as is deemed just. If the motion is disallowed, the time for responding to the pleading shall be extended to a date 10 days after service of the notice of disallowance.

[58 FR 27210, May 7, 1993]

§ 502.72 Petition for leave to intervene.

(a) A petition for leave to intervene may be filed in any proceeding and shall be served on existing parties by the petitioner pursuant to subpart H of this part. An additional fifteen (15) copies of the petition shall be filed with the Secretary for the use of the Commission. Upon request, the Commission will furnish a service list to any member of the public pursuant to part 503 of this chapter. The petition shall set forth the grounds for the proposed intervention and the interest and position of the petitioner in the proceeding and shall comply with the other applicable provisions of subpart H of this part, and if affirmative relief is sought, the basis for such relief. Such petition shall also indicate the nature and extent of the participation sought, e.g., the use of discovery, presentation of evidence and examination of witnesses.

(b)(1) Petitions for leave to intervene as a matter of right will only be grant-

ed upon a clear and convincing showing that:

(i) The petitioner has a substantial interest relating to the matter which is the subject of the proceeding warranting intervention; and

(ii) The proceeding may, as a practical matter, materially affect the petitioner's interest; and

(iii) The interest is not adequately represented by existing parties to the proceeding.

(2) Petitions for intervention as a matter of Commission discretion may be granted only upon a showing that:

(i) A common issue of law or fact exists between the petitioner's interests and the subject matter of the proceeding; and

(ii) Petitioner's intervention will not unduly delay or broaden the scope of the proceeding, prejudice the adjudication of the rights of or be duplicative of positions of any existing party; and

(iii) The petitioner's participation may reasonably be expected to assist in the development of a sound record.

(3) The timeliness of the petition will also be considered in determining whether a petition will be granted under paragraphs (b)(1) or (b)(2) of this section. If filed after hearings have been closed, a petition will not ordinarily be granted.

(c) In the interests of: (1) Restricting irrelevant, duplicative, or repetitive discovery, evidence or arguments; (2) having common interests represented by a spokesperson; and (3) retaining authority to determine priorities and control the course of the proceeding, the presiding officer, in his or her discretion, may impose reasonable limitations on an intervenor's participation, e.g., the filing of briefs, presentation of evidence on selected factual issues, or oral argument on some or all of the issues.

(d) Absent good cause shown, any intervenor desiring to utilize the procedures provided by subpart L must commence doing so no later than fifteen (15) days after its petition for leave to intervene has been granted. If the petition is filed later than thirty (30) days after the date of publication in the FEDERAL REGISTER of the Commission's Order instituting the proceeding or notice of complaint filed, petitioner will

be deemed to have waived its right to utilize such procedures, unless good cause is shown for the failure to file the petition within the 30-day period. The use of subpart L procedures by an intervenor whose petition was filed beyond such 30-day period will in no event be allowed, if, in the opinion of the presiding officer, such use will result in delaying the proceeding unduly.

(e) If intervention is granted before or at a prehearing conference convened for the purpose of considering matters relating to discovery, the intervenor's discovery matters may also be considered at that time, and may be limited under the provisions of paragraph (c) of this section.

(f) A form of petition for leave to intervene is set forth in Exhibit No. 3 to this subpart. [Rule 72.]

[49 FR 44369, Nov. 6, 1984, as amended at 52 FR 4143, Feb. 10, 1987]

§ 502.73 Motions.

(a) In any docketed proceeding, an application or request for an order or ruling not otherwise specifically provided for in this part shall be by motion. After the assignment of a presiding officer to a proceeding and before the issuance of his or her recommended or initial decision, all motions shall be addressed to and ruled upon by the presiding officer unless the subject matter of the motion is beyond his or her authority, in which event the matter shall be referred to the Commission. If the proceeding is not before the presiding officer, motions shall be designated as "petitions" and shall be addressed to and passed upon by the Commission.

(b) Motions shall be in writing, except that a motion made at a hearing shall be sufficient if stated orally upon the record, unless the presiding officer directs that it be reduced to writing.

(c) All written motions shall state clearly and concisely the purpose of and the relief sought by the motion, the statutory or principal authority relied upon, and the facts claimed to constitute the grounds requiring the relief requested; and shall conform with the requirements of subpart H of this part.

(d) Oral argument upon a written motion may be permitted at the discretion of the presiding officer or the Commission, as the case may be.

(e) A repetitious motion will not be entertained. [Rule 73.]

§ 502.74 Replies to pleadings, motions, applications, etc.

(a)(1) Except as provided under subpart V of this part, a reply to a reply is not permitted.

(2) Except as otherwise provided respecting answers (§ 502.64), shortened procedure (subpart K of this part), briefs (§ 502.221), exceptions (§ 502.227), replies to petitions for attorney fees under the Equal Access to Justice Act (§ 502.503(b)(1)), and the documents specified in paragraph (b) of this section, any party may file and serve a reply to any written motion, pleading, petition, application, etc., permitted under this part within fifteen (15) days after the date of service thereof, unless a shorter period is fixed under § 502.103.

(b) When time permits, replies also may be filed to protests seeking suspension of tariffs (§ 502.67), applications for enlargement of time and postponement of hearing (subpart G of this part), and motions to take depositions (§ 502.201).

(c) Replies shall be in writing, shall be verified if verification of original pleading is required, shall be so drawn as to fully and completely advise the parties and the Commission as to the nature of the defense, shall admit or deny specifically and in detail each material allegation of the pleading answered, shall state clearly and concisely the facts and matters of law relied upon, and shall conform to the requirements of subpart H of this part. [Rule 74.]

[49 FR 44369, Nov. 6, 1984, as amended at 52 FR 28264, July 29, 1987]

§ 502.75 Proceedings involving assessment agreements.

(a) In complaint proceedings involving assessment agreements filed under the fifth paragraph of section 15 of the Shipping Act, 1916, or section 5(d) of the Shipping Act of 1984, the Notice of Filing of Complaint and Assignment will specify a date before which the initial decision will be issued, which date will be not more than eight months from the date the complaint was filed.

(b) Any party to a proceeding conducted under this section who desires

Federal Maritime Commission

Pt. 502, Subpt. E, Exh. 1

to utilize the prehearing discovery procedures provided by subpart L of this part shall commence doing so at the time it files its initial pleading, i.e., complaint, answer or petition for leave to intervene. Discovery matters accompanying complaints shall be filed with the Secretary of the Commission for service pursuant to § 502.113. Answers or objections to discovery requests shall be subject to the normal provisions set forth in subpart L.

(c) Exceptions to the decision of the presiding officer, filed pursuant to § 502.227, shall be filed and served no later than fifteen (15) days after date of service of the initial decision. Replies thereto shall be filed and served no later than fifteen (15) days after date of service of exceptions. In the absence of exceptions, the decision of the presiding officer shall be final within thirty (30) days from the date of service, unless within that period, a determination to review is made in accordance with the procedures outlined in § 502.227. [Rule 75.]

§ 502.76 Brief of an amicus curiae.

(a) A brief of an amicus curiae may be filed only by leave of the Commission or the presiding officer granted on motion with notice to the parties, or at the request of the Commission or the presiding officer, except that leave shall not be required when the brief is presented by the United States or any agency or officer of the United States. The brief may be conditionally filed with the motion for leave. A brief of an amicus curiae shall be limited to questions of law or policy.

(b) A motion for leave to file an amicus brief shall identify the interest of the applicant and shall state the reasons why such a brief is desirable.

(c) Except as otherwise permitted by the Commission or the presiding officer, an amicus curiae shall file its brief within the time allowed the party whose position as to affirmance or reversal the amicus brief will support. The Commission or the presiding officer shall grant leave for a later filing only for cause shown, in which event the period within which an opposing party may answer shall be specified.

(d) A motion of an amicus curiae to participate in oral argument will be

granted only in accordance with the requirements of § 502.241. [Rule 76.]

*Information To Assist in Filing Formal
Complaint*

General

Formal Docket Complaint procedures usually involve an evidentiary hearing on disputed facts. Where no evidentiary hearing on disputed facts is necessary and where all parties agree to the use of different procedures, a complaint may be processed under subpart K [Shortened Procedure] or subpart S [Informal Docket for a claim of \$10,000 or less]. An application for refund or waiver of collection of freight charges due to tariff error should be filed pursuant to § 502.92 and Exhibit No. 1 to subpart F. Consider also the feasibility of filing a Petition for Declaratory Order under § 502.68.

Under the Shipping Act of 1984 [foreign commerce], the complaint must be filed within three (3) years from the time the cause of action accrues and may be brought against any person alleged to have violated the 1984 Act to the injury of complainant.

Under the Shipping Act, 1916 and the Intercoastal Shipping Act, 1933 [domestic commerce], the complaint must be filed within two (2) years from the time the cause of action accrues and may be brought only against a "person subject to the Act", e.g., a common carrier, terminal operator or freight forwarder.

Because of the limitation periods, a complaint is deemed to be filed only when it is

physically received at the Commission. [See § 502.114]

The format of exhibit No. 1 to subpart E must be followed and a verification must be included. (See §§ 502.21–502.32, 502.62 and 502.112.) The complaint must also fully describe the alleged violations of the specific section(s) of the shipping statute(s) involved and how complainant is or was directly injured as a result. An original and fifteen copies, plus a further number of copies sufficient for service upon each named respondent must be filed and the Commission will serve the other parties. [See §§ 502.113 and 502.118]

In addition to subpart E, some other important rules are: § 502.2 (mailing address; hours); § 502.7 (documents in foreign language); § 502.23 (Notice of Appearance); § 502.41 (parties; how designated); § 502.44 (necessary and proper parties to certain complaint proceedings); and subpart H (form, execution and service of documents).

Checklist of Specific Information

The following checklist sets forth items of information which are pertinent in cases submitted to the Commission pursuant to the regulatory provisions of the shipping statutes. The list is not intended to be inclusive, nor does it indicate all of the essential allegations which may be material in specific cases.

1. Identity of complainant; if an individual, complainant's residence; if a partnership, name of partners, business and principal place thereof; if a corporation, name, state of incorporation, and principal place of business. The same information with respect to respondents, intervenors, or others who become parties is necessary.

2. Description of commodity involved, with port of origin, destination port, weight, consignor and consignee of shipment(s), date shipped from loading port, and date received at discharge port.

3. Rate charged, with tariff authority for same, and any rule or regulation applicable thereto; the charges collected and from whom.

4. Route of shipment, including any transshipment; bill of lading reference.

5. Date of delivery or tender of delivery of each shipment.

6. Where the rate is challenged and comparisons are made with rates on other commodities, the form, packing, density, susceptibility to damage, tendency to contaminate other freight, value, volume of movement, competitive situation, and all matters relating to the cost of loading, unloading, and otherwise handling of respective commodities.

7. If comparisons are made between the challenged rates and rates on other routes, the allegation showing similarity of service should include at least respective distances,

Federal Maritime Commission

§ 502.91

volumes of movement, cost of handling, and competitive conditions.

8. History of rate with reasons for previous increases or decreases of same.

9. When the complaint alleges undue prejudice or preference, the complaint should indicate what manner of undue prejudice or preference is involved, and whether to a particular person, locality, or description of traffic; how the preference or discrimination resulted and the manner in which the respondents are responsible for the same; and how complainant is damaged by the prejudice or preference, in loss of sales or otherwise.

10. Care should be exercised to differentiate between the measure of damages required in cases where prejudice or preference is charged, where the illegality of rates is charged and other situations.

11. Where a filed agreement or conduct under the agreement is challenged, all necessary provisions of the shipping statute involved must be specifically cited, showing in detail how a section was violated and how the conduct or agreement injures complainant. The complaint should be thorough and clear as to all relief complainant is requesting.

Subpart F—Settlement; Prehearing Procedure

§ 502.91 Opportunity for informal settlement.

(a) Parties are encouraged to make use of all the procedures of this part which are designed to simplify or avoid formal litigation, and to assist the parties in reaching settlements whenever

it appears that a particular procedure would be helpful.

(b) Where time, the nature of the proceeding, and the public interest permit, all interested parties shall have the opportunity for the submission and consideration of facts, argument, offers of settlement, or proposal of adjustment, without prejudice to the rights of the parties.

(c) No stipulation, offer, or proposal shall be admissible in evidence over the objection of any party in any hearing on the matter. [Rule 91.]

(d) Any party may request, or the presiding officer may suggest, that a mediator or settlement judge be appointed to assist the parties in reaching a settlement. If such a request or suggestion is made and is not opposed, the presiding judge will advise the Chief Administrative Law Judge who may appoint a mediator or settlement judge who is acceptable to all parties. The mediator or settlement judge shall convene and preside over conferences and settlement negotiations and shall report to the Chief Administrative Law Judge, within the time prescribed by the Chief Administrative Law Judge, on the results of settlement discussions with appropriate recommendations as to future proceedings. If settlement is reached, it shall be submitted to the presiding judge who shall issue an appropriate decision or ruling.

[49 FR 44369, Nov. 6, 1984, as amended at 58 FR 38649, July 19, 1993]

§ 502.92 Special docket applications and fee.

(a)(1) A common carrier or a shipper may file an application for permission to refund or waive collection of a portion of freight charges where it appears that there is (i) an error in the tariff of a clerical or administrative nature or (ii) an error due to inadvertence in failing to file a new tariff. Such refund or waiver must not result in discrimination among shippers, ports, or carriers.

(2) When the application is filed by a carrier, the Commission must have received prior to the filing of the application a new tariff which sets forth the rate on which refund or waiver would be based.

(3)(i) The application for refund or waiver must be filed with the Commis-

sion within one hundred eighty (180) days from the date of shipment and served upon other persons involved pursuant to subpart H of this part. When a rate published in a conference tariff is involved, the carrier or shipper must serve a copy of the application on the conference and so certify in accordance with Rule 117 (46 CFR 502.117) to that service in the application. A shipper must also make a similar service and certification with respect to the common carrier. An application is filed when it is placed in the mail, delivered to a courier, or, if delivered by another method, when it is received by the Commission. Filings by mail or courier must include a certification as to date of mailing or delivery to the courier.

(ii) The application for refund or waiver must be accompanied by remittance of an \$86 filing fee.

(iii) Date of shipment shall mean the date of sailing of the vessel from the port at which the cargo was loaded.

(4) By filing, the applicant(s) agrees that:

(i) If permission is granted by the Commission:

(A) An appropriate notice will be published in the tariff; or

(B) Other steps will be taken as the Commission may require which give notice of the rate on which such refund or waiver would be based; and

(C) Additional refunds or waivers shall be made with respect to other shipments in the manner prescribed by the Commission's order approving the application.

(ii) If the application is denied, other steps will be taken as the Commission may require.

(5) Application for refund or waiver shall be made in accordance with Exhibit No. 1 to this subpart. Any application which does not furnish the information required by the prescribed form or otherwise comply with this rule may be returned to the applicant by the Secretary without prejudice to resubmission within the 180-day limitation period.

(b) Common carriers by water in interstate or intercoastal commerce, or conferences of such carriers, may

file application for permission to refund a portion of freight charges collected from a shipper or waive collection of a portion of freight charges from a shipper. All such applications shall be filed within the 2-year statutory period referred to in §502.63, and shall be made in accordance with Exhibit No. 1 to this subpart. Such applications will be considered the equivalent of a complaint and answer thereto admitting the facts complained of. If allowed, an order for payment or waiver will be issued by the Commission.

(c) Applications under paragraphs (a) and (b) of this section shall be submitted in an original and one (1) copy to the Office of the Secretary, Federal Maritime Commission, Washington, DC 20573-0001. Each application shall be acknowledged with a reference to the assigned docket number and referred for decision, either to a Special Dockets Officer or to the Office of Administrative Law Judges, at the discretion of the Secretary. If the application is granted, the initial determination or, as may otherwise be applicable, the final decision of the Commission shall describe the content of the appropriate notice if required to be published, and shall designate the tariff in which it is to appear, or other steps that are required to be taken which give notice of the rate on which such refund or waiver is to be based. §502.94 Prehearing conference.

(a)(1) Prior to any hearing, the Commission or presiding officer may direct all interested parties, by written notice, to attend one or more prehearing conferences for the purpose of considering any settlement under §502.91, formulating the issues in the proceeding and determining other matters to aid in its disposition. In addition to any offers of settlement or proposals of ad-

justment, there may be considered the following:

- (i) Simplification of the issues;
- (ii) The necessity or desirability of amendments to the pleadings;
- (iii) The possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof;
- (iv) Limitation on the number of witnesses;
- (v) The procedure at the hearing;
- (vi) The distribution to the parties prior to the hearing of written testimony and exhibits;
- (vii) Consolidation of the examination of witnesses by counsel;
- (viii) Such other matters as may aid in the disposition of the proceeding.

(2) The presiding officer may require, prior to the hearing, exchange of exhibits and any other material which may expedite the hearing. He or she shall assume the responsibility of accomplishing the purposes of the notice of prehearing conference so far as this may be possible without prejudice to the rights of any party.

(3) The presiding officer shall rule upon all matters presented for decision, orally upon the record when feasible, or by subsequent ruling in writing. If a party determines that a ruling made orally does not cover fully the issue presented, or is unclear, such party may petition for a further ruling thereon within ten (10) days after receipt of the transcript.

(b) In any proceeding under the rules in this part, the presiding officer may call the parties together for an informal conference prior to the taking of testimony, or may recess the hearing for such a conference, with a view to carrying out the purposes of this section. [Rule 94.]

(c) At any prehearing conference, consideration shall be given to whether the use of alternative means of dispute resolution would be appropriate or useful for the disposition of the proceeding.

[49 FR 44369, Nov. 6, 1984, as amended at 58 FR 38649, July 19, 1993]

§502.95 Prehearing statements.

(a) Unless waiver is granted by the presiding officer, it shall be the duty of all parties to a proceeding to prepare a statement or statements at a time and

in the manner to be established by the presiding officer provided that there has been reasonable opportunity for discovery. To the extent possible, joint statements should be prepared.

(b) A prehearing statement shall state the name of the party or parties on whose behalf it is presented and briefly set forth the following matters, unless otherwise ordered by the presiding officer:

(1) Issues involved in the proceeding.

(2) Facts stipulated pursuant to the procedures together with a statement that the party or parties have communicated or conferred in a good faith effort to reach stipulation to the fullest extent possible.

(3) Facts in dispute.

(4) Witnesses and exhibits by which disputed facts will be litigated.

(5) A brief statement of applicable law.

(6) The conclusion to be drawn.

(7) Suggested time and location of hearing and estimated time required for presentation of the party's or parties' case.

(8) Any appropriate comments, suggestions or information which might assist the parties in preparing for the hearing or otherwise aid in the disposition of the proceeding.

(c) The presiding officer may, for good cause shown, permit a party to introduce facts or argue points of law outside the scope of the facts and law outlined in the prehearing statement. Failure to file a prehearing statement, unless waiver has been granted by the presiding officer, may result in dismissal of a party from the proceeding, dismissal of a complaint, judgment against respondents, or imposition of such other sanctions as may be appropriate under the circumstances.

(d) Following the submission of prehearing statements, the presiding officer may, upon motion or otherwise, convene a prehearing conference for the purpose of further narrowing issues and limiting the scope of the hearing if, in his or her opinion, the prehearing statements indicate lack of dispute of material fact not previously acknowledged by the parties or lack of legitimate need for cross-examination and is authorized to issue appropriate orders

consistent with the purposes stated in this section. [Rule 95.]

(a) *Definition.* *Presiding officer* includes, where applicable, a member of the Commission or an administrative law judge. (See § 502.25.)

(b) *Designation of administrative law judge.* An administrative law judge will be designated by the Chief of the Commission's Office of Administrative Law Judges to preside at hearings required by statute, in rotation so far as practicable, unless the Commission or one or more members thereof shall preside, and will also preside at hearings not required by statute when designated to do so by the Commission.

(c) *Unavailability.* If the presiding officer assigned to a proceeding becomes unavailable to the Commission, the Commission, or Chief Judge (if such presiding officer was an administrative law judge), shall designate a qualified officer to take his or her place. Any motion predicated upon the substitution of a new presiding officer for one originally designated shall be made within ten (10) days after notice of such substitution. [Rule 145.]

§ 502.146 Commencement of functions of Office of Administrative Law Judges.

In proceedings handled by the Office of Administrative Law Judges, its functions shall attach:

(a) Upon the service by the Commission of a complaint filed pursuant to § 502.62; or

(b) Upon reference by the Commission of a petition for a declaratory order pursuant to § 502.68; or

(c) Upon forwarding for assignment by the Office of the Secretary of a special docket application pursuant to § 502.92; or

(d) Upon the initiation of a proceeding and ordering of hearing before an administrative law judge. [Rule 146.]

§ 502.147 Functions and powers.

(a) *Of presiding officer.* The officer designated to hear a case shall have authority to arrange and give notice of hearing; sign and issue subpoenas authorized by law; take or cause depositions to be taken; rule upon proposed amendments or supplements to pleadings; delineate the scope of a proceeding instituted by order of the Commission by amending, modifying, clarifying or interpreting said order, except with regard to that portion of any order involving the Commission's suspension authority set forth in section 3, Intercoastal Shipping Act, 1933; inform the parties as to the availability of one or more alternative means of dispute resolution, encourage use of such methods, and require consideration of their use at an early stage of the proceeding; hold conferences for the settlement or simplification of the issues by consent of the parties or by the use of alternative means of dispute resolution; transmit the request of parties for the appointment of a mediator or settlement judge, as provided by § 502.91 of this part; require the attendance at any such conference pursuant to 5 U.S.C. 556(c)(8), of at least one representative of each party who has authority to negotiate concerning resolution of issues in controversy; regulate the course of the hearing; prescribe the order in which evidence shall be presented; dispose of procedural requests or similar matters; hear and rule upon motions; administer oaths and affirmations; examine witnesses; direct witnesses to testify or produce evidence available to them which will aid in the determination of any question of fact in issue; rule upon offers of proof and receive relevant material, reliable and probative evidence; act upon petitions to intervene; permit submission of facts, arguments, offers of settlement, and proposals of adjustment; and, if the parties so request, issue formal opinions providing tentative evaluations of

the evidence submitted; hear oral argument at the close of testimony; fix the time for filing briefs, motions, and other documents to be filed in connection with hearings and the administrative law judge's decision thereon, except as otherwise provided by the rules in this part; act upon petitions for enlargement of time to file such documents, including answers to formal complaints; and dispose of any other matter that normally and properly arises in the course of proceedings. The presiding officer or the Commission may exclude any person from a hearing for disrespectful, disorderly, or contumacious language or conduct.

(b) All of the functions delegated in subparts A to Q of this part, inclusive, to the Chief Judge, presiding officer, or administrative law judge include the functions with respect to hearing, determining, ordering, certifying, reporting, or otherwise acting as to any work, business, or matter, pursuant to the provisions of section 105 of Reorganization Plan No. 7 of 1961. [Rule 147.]

[49 FR 44369, Nov. 6, 1984; 49 FR 47394, Dec. 4, 1984, as amended at 58 FR 38650, July 19, 1993]

§ 502.148 Consolidation of proceedings.

The Commission or the Chief Judge (or designee) may order two or more proceedings which involve substantially the same issues consolidated and heard together. [Rule 148.]

§ 502.149 Disqualification of presiding or participating officer.

Any presiding or participating officer may at any time withdraw if he or she deems himself or herself disqualified, in which case there will be designated another presiding officer. If a party to a proceeding, or its representative, files a timely and sufficient affidavit of personal bias or disqualification of a presiding or participating officer, the Commission will determine the matter as a part of the record and decision in the case. [Rule 149.]

§ 502.150 Further evidence required by presiding officer during hearing.

At any time during the hearing, the presiding officer may call for further evidence upon any issue, and require such evidence where available to be presented by the party or parties con-

cerned, either at the hearing or adjournment thereof. [Rule 150.]

§ 502.151 Exceptions to rulings of presiding officer unnecessary.

Formal exceptions to rulings of the presiding officer are unnecessary. It is sufficient that a party, at the time the ruling of the presiding officer is made or sought, makes known the action which it desires the presiding officer to take or its objection to an action taken, and its grounds therefor. [Rule 151.]

§ 502.152 Offer of proof.

An offer of proof made in connection with an objection taken to any ruling of the presiding officer rejecting or excluding proffered oral testimony shall consist of a statement of the substance of the evidence which counsel contends would be adduced by such testimony; and, if the excluded evidence consists of evidence in documentary or written form or of reference to documents or records, a copy of such evidence shall be marked for identification and shall constitute the offer of proof. [Rule 152.]

§ 502.153 Appeal from ruling of presiding officer other than orders of dismissal in whole or in part.

(a) Rulings of the presiding officer may not be appealed prior to or during the course of the hearing, or subsequent thereto, if the proceeding is still before him or her, except where the presiding officer shall find it necessary to allow an appeal to the Commission to prevent substantial delay, expense, or detriment to the public interest, or undue prejudice to a party.

(b) Any party seeking to appeal must file a motion for leave to appeal no later than fifteen (15) days after written service or oral notice of the ruling in question, unless the presiding officer, for good cause shown, enlarges or shortens the time. Any such motion shall contain not only the grounds for leave to appeal but the appeal itself.

(c) Replies to the motion for leave to appeal and the appeal may be filed within fifteen (15) days after date of service thereof, unless the presiding officer, for good cause shown, enlarges or shortens the time. If the motion is

granted, the presiding officer shall certify the appeal to the Commission.

(d) Unless otherwise provided, the certification of the appeal shall not operate as a stay of the proceeding before the presiding officer.

(e) The provisions of § 502.10 shall not apply to this section. [Rule 153.]

§ 502.154 Rights of parties as to presentation of evidence.

Every party shall have the right to present its case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. The presiding officer shall, however, have the right and duty to limit the introduction of evidence and the examination and cross-examination of witnesses when in his or her judgment, such evidence or examination is cumulative or is productive of undue delay in the conduct of the hearing. [Rule 154.]

§ 502.155 Burden of proof.

At any hearing under section 3 of the Intercoastal Shipping Act, 1933 (§ 502.67), the burden of proof to show that the new rate, fare, charge, classification, regulation, or practice is just and reasonable shall be upon the respondent carrier or carriers. In all cases, as prescribed by the Administrative Procedure Act, 5 U.S.C. 556(d), the burden shall be on the proponent of the rule or order. [Rule 155.]

[58 FR 58976, Nov. 5, 1993]

§ 502.156 Evidence admissible.

In any proceeding under the rules in this part, all evidence which is relevant, material, reliable and probative, and not unduly repetitious or cumulative, shall be admissible. All other evidence shall be excluded. Unless inconsistent with the requirements of the Administrative Procedure Act and these Rules, the Federal Rules of Evidence, Public Law 93-595, effective July 1, 1975, will also be applicable. [Rule 156.]

§ 502.157 Written evidence.

(a) The use of written statements in lieu of oral testimony shall be resorted

to where the presiding officer in his or her discretion rules that such procedure is appropriate. The statements shall be numbered in paragraphs, and each party in its rebuttal shall be required to list the paragraphs to which it objects, giving an indication of its reasons for objecting. Statistical exhibits shall contain a short commentary explaining the conclusions which the offeror draws from the data. Any portion of such testimony which is argumentative shall be excluded. Where written statements are used, copies of the statement and any rebuttal statement shall be furnished to all parties, as shall copies of exhibits. The presiding officer shall fix respective dates for the exchange of such written rebuttal statements and exhibits in advance of the hearing to enable study by the parties of such testimony. Thereafter, the parties shall endeavor to stipulate as many of the facts set forth in the written testimony as they may be able to agree upon. Oral examination of witnesses shall thereafter be confined to facts which remain in controversy, and a reading of the written statements at the hearing will be dispensed with unless the presiding officer otherwise directs.

(b) Where a formal hearing is held in a rulemaking proceeding, interested persons will be afforded an opportunity to participate through submission of relevant, material, reliable and probative written evidence properly verified, except that such evidence submitted by persons not present at the hearing will not be made a part of the record if objected to by any party on the ground that the person who submits the evidence is not present for cross-examination. [Rule 157.]

[49 FR 44369, Nov. 6, 1984; 49 FR 47394, Dec. 4, 1984]

§ 502.158 Documents containing matter not material.

Where written matter offered in evidence is embraced in a document containing other matter which is not intended to be offered in evidence, the offering party shall present the original document to all parties at the hearing for their inspection, and shall offer a true copy of the matter which is to be introduced, unless the presiding officer

determines that the matter is short enough to be read into the record. Opposing parties shall be afforded an opportunity to introduce in evidence, in like manner, other portions of the original document which are material and relevant. [Rule 158.]

§ 502.159 [Reserved]

§ 502.160 Records in other proceedings.

When any portion of the record before the Commission in any proceeding other than the one being heard is offered in evidence, a true copy of such portion shall be presented for the record in the form of an exhibit unless the parties represented at the hearing stipulate upon the record that such portion may be incorporated by reference. [Rule 160.]

§ 502.161 Commission's files.

Where any matter contained in a tariff, report, or other document on file with the Commission is offered in evidence, such document need not be produced or marked for identification, but the matter so offered shall be specified in its particularity, giving tariff number and page number of tariff, report, or document in such manner as to be readily identified, and may be received in evidence by reference, subject to comparison with the original document on file. [Rule 161.]

§ 502.162 Stipulations.

The parties may, by stipulation, agree upon any facts involved in the proceeding and include them in the record with the consent of the presiding officer. It is desirable that facts be thus agreed upon whenever practicable. Written stipulations shall be subscribed and shall be served upon all parties of record unless presented at the hearing or prehearing conference. A stipulation may be proposed even if not subscribed by all parties without prejudice to any nonsubscribing party's right to cross-examine and offer rebuttal evidence. [Rule 162.]

§ 502.163 Receipt of documents after hearing.

Documents or other writings to be submitted for the record after the close

of the hearing will not be received in evidence except upon permission of the presiding officer. Such documents or other writings when submitted shall be accompanied by a statement that copies have been served upon all parties, and shall be received, except for good cause shown, not later than ten (10) days after the close of the hearing and not less than (10) days prior to the date set for filing briefs. Exhibit numbers will not be assigned until such documents are actually received and incorporated in the record. [Rule 163.]

§ 502.164 Oral argument at hearings.

Oral argument at the close of testimony may be ordered by the presiding officer in his or her discretion. [Rule 164.]

§ 502.165 Official transcript.

(a) The Commission will designate the official reporter for all hearings. The official transcript of testimony taken, together with any exhibits and any briefs or memoranda of law filed therewith, shall be filed with the Commission. Transcripts of testimony will be available in any proceeding under the rules in this part, and will be supplied by the official reporter to the parties and to the public, except when required for good cause to be held confidential, at rates not to exceed the maximum rates fixed by contract between the Commission and the reporter.

(b)(1) Section 11 of the Federal Advisory Committee Act provides that, except where prohibited by contractual agreements entered into prior to the effective date of this Act, agencies and advisory committees shall make available to any person, at actual cost of duplication, copies of transcripts of agency proceedings or advisory committee meetings. As used in this section, "agency proceeding" means any proceeding as defined in 5 U.S.C. 551(12).

(2) The Office of Management and Budget has interpreted this provision as being applicable to proceedings before the Commission and its administrative law judges. (Guidelines, 38 FR 12851, May 16, 1973.)

(3) The Commission interprets section 11 and the OMB guidelines as follows:

(i) Future contracts between the Commission and the successfully bidding recording firm will provide that any party to a Commission proceeding or other interested person (hereinafter included within the meaning of "party") shall be able to obtain a copy of the transcript of the proceeding in which it is involved at the actual cost of duplication of the original transcript, which includes a reasonable amount for overhead and profit, except where it requests delivery of copies in a shorter period of time than is required for delivery by the Commission.

(ii) The Commission will bear the full expense of transcribing all of its administrative proceedings where it requests regular delivery service (as set forth in the Contract). In cases where the Commission requests daily delivery of transcript copies (as set forth in the Contract), any party may receive daily delivery service at the actual cost of duplication.

(iii)(A) Where the Commission does not request daily copy service, any party requesting such service must bear the incremental cost of transcription above the regular copy transcription cost borne by the Commission, in addition to the actual cost of duplication, except that where the party applies for and properly shows that the furnishing of daily copy is indispensable to the protection of a vital right or interest in achieving a fair hearing, the presiding officer in the proceeding in which the application is made shall order that daily copy service be provided the applying party at the actual cost of duplication, with the full cost of transcription being borne by the Commission.

(B) In the event a request for daily copy is denied by the presiding officer, the requesting party, in order to obtain daily copy, must pay the cost of transcription over and above that borne by the Commission, i.e., the incremental cost between that paid by the Commission when it requests regular copy and when it requests daily copy.

(C) The decision of the presiding officer in this situation is interpreted as

falling within the scope of the functions and powers of the presiding officer, as defined in § 502.147(a). [Rule 165.]

§ 502.166 Corrections of transcript.

Motions made at the hearing to correct the record will be acted upon by the presiding officer. Motions made after the hearing to correct the record shall be filed with the presiding officer within twenty-five (25) days after the last day of hearing or any session thereof, unless otherwise directed by the presiding officer, and shall be served on all parties. Such motions may be in the form of a letter. If no objections are received within ten (10) days after date of service, the transcript will, upon approval of the presiding officer, be changed to reflect such corrections. If objections are received, the motion will be acted upon with due consideration of the stenographic record of the hearing. [Rule 166.]

§ 502.167 Objection to public disclosure of information.

Upon objection to public disclosure of any information sought to be elicited during a hearing, the presiding officer may in his or her discretion order that the witness shall disclose such information only in the presence of those designated and sworn to secrecy by the presiding officer. The transcript of testimony shall be held confidential. Copies of said transcript need be served only upon the parties to whose representatives the information has been disclosed and upon such other parties as the presiding officer may designate. This rule is subject to the proviso that any information given pursuant thereto, may be used by the presiding officer or the Commission if deemed necessary to a correct decision in the proceeding. [Rule 167.]

[55 FR 28400, July 11, 1990]

§ 502.168 Copies of data or evidence.

Every person compelled to submit data or evidence shall be entitled to retain or, on payment of proper costs, procure a copy of transcript thereof. [Rule 168.]

§ 502.169 Record of decision.

The transcript of testimony and exhibits, together with all papers and requests filed in the proceeding, shall constitute the exclusive record for decision. [Rule 169.]

Subpart K—Shortened Procedure**§ 502.181 Selection of cases for shortened procedure; consent required.**

By consent of the parties and with approval of the Commission or presiding officer, a complaint proceeding may be conducted under shortened procedure without oral hearing, except that a hearing may be ordered by the presiding officer at the request of any party or in his or her discretion. [Rule 181.]

§ 502.182 Complaint and memorandum of facts and arguments and filing fee.

A complaint filed with the Commission under this subpart shall have attached a memorandum of the facts, subscribed and verified according to § 502.112, and of arguments separately stated, upon which it relies. The original of each complaint with memorandum shall be accompanied by copies for the Commission's use. The complaint shall be accompanied by remittance of a \$166 filing fee. [Rule 182.]

[49 FR 44369, Nov. 6, 1984, as amended at 59 FR 59170, Nov. 16, 1994]

§ 502.183 Respondent's answering memorandum.

Within twenty-five (25) days after date of service of the complaint, unless a shorter period is fixed, each respondent shall, if it consents to the shortened procedure provided in this subpart, serve upon complainant pursuant to subpart H of this part an answering memorandum of the facts, subscribed and verified according to § 502.112, and of arguments, separately stated, upon which it relies. The original of the answering memorandum shall be accompanied by a certificate of service as provided in § 502.114 and shall be accompanied by copies for the Commission's use. If the respondent does not consent to the proceeding being conducted under the shortened procedure provided

in this subpart, the matter will be governed by subpart E of this part and the respondent shall file an answer under § 502.64. [Rule 183.]

§ 502.184 Complainant's memorandum in reply.

Within fifteen (15) days after the date of service of the answering memorandum prescribed in § 502.183, unless a shorter period is fixed, each complainant may file a memorandum in reply, subscribed and verified according to § 502.112, served as provided in § 502.114, and accompanied by copies for the Commission's use. This will close the record for decision unless the presiding officer determines that the record is insufficient and orders the submission of additional evidentiary materials. [Rule 184.]

§ 502.185 Service of memoranda upon and by interveners.

Service of all memoranda shall be made upon any interveners. Intervenors shall file and serve memoranda in conformity with the provisions relating to the parties on whose behalf they intervene. [Rule 185.]

§ 502.186 Contents of memoranda.

The memorandum should contain concise arguments and fact, the same as would be offered if a formal hearing were held and briefs filed. If reparation is sought, paid freight bills should accompany complainant's original memorandum. [Rule 186.]

§ 502.187 Procedure after filing of memoranda.

An initial, recommended, or tentative decision will be served upon the parties in the same manner as is provided under § 502.225. Thereafter, the procedure will be the same as that in respect to proceedings after formal hearing. [Rule 187.]

Subpart L—Depositions, Written Interrogatories, and Discovery**§ 502.201 General provisions governing discovery.**

(a) *Applicability.* The procedures described in this subpart are available in all adjudicatory proceedings under section 22 of the Shipping Act, 1916 and

the Shipping Act of 1984. Unless otherwise ordered by the presiding officer, the copy requirements of § 502.118(b)(3)(i) shall be observed.

(b) *Schedule of use*—(1) *Complaint proceedings*. Any party desiring to use the procedures provided in this subpart shall commence doing so at the time it files its initial pleading, e.g., complaint, answer or petition for leave to intervene. Discovery matters accompanying complaints shall be filed with the Secretary of the Commission for service pursuant to § 502.113.

(2) *Commission instituted proceedings*. All parties desiring to use the procedures provided in this subpart shall commence to do so within 30 days of the service of the Commission's order initiating the proceeding.

(3) *Commencement of discovery*. The requirement to commence discovery under paragraphs (b)(1) and (b)(2) of this section shall be deemed satisfied when a party serves any discovery request under this subpart upon a party or person from whom a response is deemed necessary by the party commencing discovery. A schedule for further discovery pursuant to this subpart shall be established at the conference of the parties pursuant to paragraph (d) of this section.

(c) *Completion of discovery*. Discovery shall be completed within 120 days of the service of the complaint or the Commission's order initiating the proceeding.

(d) *Duty of the Parties*. In all proceedings in which the procedures of this subpart are used, it shall be the duty of the parties to meet or confer within fifteen (15) days after service of the answer to a complaint or after service of the discovery requests in a Commission-instituted proceeding in order to: establish a schedule for the completion of discovery within the 120-day period prescribed in paragraph (c) of this section; resolve to the fullest extent possible disputes relating to discovery matters; and expedite, limit, or eliminate discovery by use of admissions, stipulations and other techniques. The schedule shall be submitted to the presiding officer not later than five (5) days after the conference. Nothing in this rule should be construed to pre-

clude the parties from meeting or conferring at an earlier date.

(e) *Submission of status reports and requests to alter schedule*. The parties shall submit a status report concerning their progress under the discovery schedule established pursuant to paragraph (d) of this section not later than thirty (30) days after submission of such schedule to the presiding officer and at 30-day intervals thereafter, concluding on the final day of the discovery schedule, unless the presiding officer otherwise directs. Requests to alter such schedule beyond the 120-day period shall set forth clearly and in detail the reasons why the schedule cannot be met. Such requests may be submitted with the status reports unless an event occurs which makes adherence to the schedule appear to be impossible, in which case the requests shall be submitted promptly after occurrence of such event.

(f) *Conferences*. The presiding officer may at any time order the parties or their attorneys to participate in a conference at which the presiding officer may direct the proper use of the procedures of this subpart or make such orders as may be necessary to resolve disputes with respect to discovery and to prevent delay or undue inconvenience. When a reporter is not present and oral rulings are made at a conference held pursuant to this paragraph or paragraph (g) of this section, the parties shall submit to the presiding officer as soon as possible but within three (3) work days, unless the presiding officer grants additional time, a joint memorandum setting forth their mutual understanding as to each ruling on which they agree and, as to each ruling on which their understandings differ, the individual understandings of each party. Thereafter, the presiding officer shall issue a written order setting forth such rulings.

(g) *Resolution of disputes*. After making every reasonable effort to resolve discovery disputes, a party may request a conference or rulings from the presiding officer on such disputes. Such rulings shall be made orally upon the record when feasible and/or by subsequent ruling in writing. If necessary to prevent undue delay or otherwise facilitate conclusion of the proceeding,

the presiding officer may order a hearing to commence before the completion of discovery.

(h) *Scope of examination.* Persons and parties may be examined regarding any matter, not privileged, which is relevant to the subject matter involved in the proceeding, whether it relates to the claim or defense of the examining party or to the claim or defense of any other party, including the existence, description, nature, custody, condition, and location of any books, documents, or other tangible things, and the identity and location of persons having knowledge of relevant facts. It is not ground for objection that the testimony will be inadmissible at the hearing if the testimony sought appears reasonably calculated to lead to the discovery of admissible evidence.

(i) *Protective orders.* (1) Upon motion by a party or by the person from whom discovery is sought, and for good cause shown, the presiding officer may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense including one or more of the following:

- (i) That the discovery not be had;
- (ii) That the discovery may be had only on specified terms and conditions including a designation of the time or place;
- (iii) That the discovery may be had only by a method of discovery other than that selected by the party seeking discovery;
- (iv) That certain matters not be inquired into, or that the scope of the discovery be limited to certain matters;
- (v) That discovery may be conducted with no one present except persons designated by the presiding officer;
- (vi) That a deposition after being sealed be opened only by order of the presiding officer;
- (vii) That a trade secret or other confidential research, development, or commercial information not be disclosed or be disclosed only in a designated way;
- (viii) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the presiding officer.

(2) If the motion for a protective order is denied in whole or in part, the presiding officer may, on such terms and conditions as are just, order that any party or person provide or permit discovery. Rulings under this paragraph shall be issued by the presiding officer at a discovery conference called under § 502.201(f) or, if circumstances warrant, under such other procedure the presiding officer may establish.

(j) *Supplementation of responses.* A party who has responded to a request for discovery with a response that was complete when made is under no duty to supplement the party's responses to include information thereafter acquired, except as follows:

(1) A party is under a duty seasonably to supplement responses with respect to any question directly addressed to (i) the identity and location of persons having knowledge of discoverable matters, and (ii) the identity of each person expected to be called as an expert witness at a hearing, the subject matter on which such person is expected to testify, and the substance of the testimony.

(2) A party is under a duty seasonably to amend a prior response if the party obtains information upon the basis of which (i) the party knows that the response was incorrect when made, or (ii) the party knows that the response though correct when made is no longer true and the circumstances are such that a failure to amend the response is in substance a knowing concealment.

(3) A duty to supplement responses may be imposed by order of the presiding officer or by agreement of the parties, subject to the time limitations set forth in paragraph (c) of this section or established under paragraph (e) of this section. [Rule 201.]

[49 FR 44369, Nov. 6, 1984; 49 FR 47394, Dec. 4, 1984]

§ 502.202 Persons before whom depositions may be taken.

(a) *Within the United States.* Within the United States or within a territory or insular possession subject to the jurisdiction of the United States, depositions shall be taken before an officer authorized to administer oaths under

the laws of the United States or of the place where the examination is held.

(b) *In foreign countries.* In a foreign country, depositions may be taken (1) on notice, before a person authorized to administer oaths in the place in which the examination is held, either under the law thereof or under the law of the United States, or (2) before a person commissioned by the Commission, and a person so commissioned shall have the power by virtue of his or her commission to administer any necessary oath and take testimony, or (3) pursuant to a letter rogatory. A commission or a letter rogatory shall be issued on application and notice and on terms that are just and appropriate. It is not requisite to the issuance of a commission or a letter rogatory that the taking of the deposition in any other manner is impracticable or inconvenient; and both a commission and a letter rogatory may be issued in proper cases. A notice or commission may designate the person before whom the deposition is to be taken either by name or descriptive title. A letter rogatory may be addressed "To the Appropriate Authority in [here name the country]." Evidence obtained in response to a letter rogatory need not be excluded merely for the reason that it is not a verbatim transcript or that the testimony was not taken under oath or for any similar departure from the requirements for depositions taken within the United States under the rules in this subpart. (See 22 CFR 92.49—92.66.)

(c) *Disqualification for interest.* No deposition shall be taken before a person who is a relative or employee or attorney or counsel of any of the parties, or is a relative or employee of such attorney or counsel, or is financially interested in the action.

(d) *Waiver of objection.* Objection to taking a deposition because of disqualification of the officer before whom it is to be taken is waived unless made before the deposition begins or as soon thereafter as the disqualification becomes known or could be discovered with reasonable diligence.

(e) *Stipulations.* If the parties so stipulate in writing, depositions may be taken before any person, at any time or place, upon any notice, and in any

manner and when so taken may be used like other depositions. [Rule 202.]

§ 502.203 Depositions upon oral examination.

(a) *Notice of examination.* (1) A party desiring to take the deposition of any person upon oral examination shall give reasonable notice in writing to such person and to every other party to the action, pursuant to subpart H of this part. The notice shall state the time and place for taking the deposition and the name and address of each person to be examined, if known, and, if the name is not known, a general description sufficient to identify the person or the particular class or group to which the person belongs. The notice shall also contain a statement of the matters concerning which each witness will testify.

(2) The attendance of witnesses may be compelled by subpoena as provided in subpart I of this part. If a subpoena duces tecum is to be served on the person to be examined, the designation of the materials to be produced as set forth in the subpoena shall be attached to or included in the notice.

(3) All errors and irregularities in the notice or subpoena for taking of a deposition are waived unless written objection is promptly served upon the party giving the notice.

(4) Examination and cross-examination of deponents may proceed as permitted at the hearing under the provisions of § 502.154.

(b) *Record of examination; oath; objections.* (1) The officer before whom the deposition is to be taken shall put the witness on oath and shall personally, or by someone acting under the direction and in his or her presence, record the testimony of the witness. The testimony shall be taken stenographically and transcribed unless the parties agree otherwise. All objections made at the time of the examination to the qualifications of the officer taking it, or to the evidence presented, or to the conduct of any party, and any other objection to the proceedings, shall be noted by the officer upon the deposition. Evidence objected to shall be taken subject to the objections. Objections shall be resolved at a discovery conference called under § 502.201(f) or, if

circumstances warrant, by such other procedure as the presiding officer may establish.

(2) In lieu of participating in the oral examination, parties served with notice of taking a deposition may transmit written interrogatories to the officer, who shall propound them to the witness and record the answers verbatim.

(3) The parties may stipulate or the presiding officer may upon motion order that a deposition be taken by telephone or other reliable device.

(c) *Motion to terminate or limit examination.* At any time during the taking of the deposition, on motion of any party or of the deponent and upon a showing that the examination is being conducted in bad faith or in such manner as unreasonably to annoy, embarrass, or oppress the deponent or party, the presiding officer may order the officer conducting the examination to cease forthwith from taking the deposition, or may limit the scope and manner of the taking of the deposition as provided in paragraph (b) of this section. If the order made terminates the examination, it shall be resumed thereafter only upon the order of the presiding officer. Upon demand of the objecting party or deponent, the taking of the deposition shall be suspended for the time necessary to make a motion for an order. Rulings under this paragraph shall be issued by the presiding officer at a discovery conference called under § 502.201(f) or, if circumstances warrant, by such other procedure as the presiding officer may establish.

(d) *Submission to witness; changes; signing.* When the testimony is fully transcribed, the deposition shall be submitted to the witness for examination and shall be read to or by the witness, unless such examination and reading are waived by the witness and by the parties. Any changes in form or substance which the witness desires to make shall be entered upon the deposition by the officer with a statement of the reasons given by the witness for making them. The deposition shall then be signed by the witness unless the parties by stipulation waive the signing or the witness is ill or cannot be found or refuses to sign. If the deposition is not signed by the witness, the

officer shall sign it and state on the record the fact of the waiver or of the illness or absence of the witness or the fact of the refusal to sign, together with the reason, if any, given therefor, and the deposition may then be used as fully as though signed, unless upon objection, the presiding officer holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

(e) *Certification and filing by officer; copies, notice of filing.* (1) The officer taking the deposition shall certify on the deposition that the witness was duly sworn by the officer and that the deposition is a true record of the testimony given by the witness. The officer shall then securely seal the deposition in an envelope endorsed with the title of the action and marked "Deposition of [here insert name of witness]" and shall promptly file it with the Secretary of the Commission by hand or registered or certified mail.

(2) Interested parties shall make their own arrangements with the officer taking the deposition for copies of the testimony and the exhibits.

(3) The party taking the deposition shall give prompt notice of its filing to all other parties.

(f) *Effect of errors and irregularities.* Errors and irregularities in the manner in which the testimony is transcribed or the deposition is prepared, signed, certified, sealed, endorsed, transmitted, filed, or otherwise dealt with by the officer under this section and § 502.204 are waived unless a motion to suppress the deposition or some part thereof is made within ten (10) days of filing. [Rule 203.]

[49 FR 44369, Nov. 6, 1984; 49 FR 47394, Dec. 4, 1984, as amended at 58 FR 27211, May 7, 1993]

§ 502.204 Depositions upon written interrogatories.

(a) *Serving interrogatories; notice.* A party desiring to take the deposition of any person upon written interrogatories shall serve them upon every other party pursuant to subpart H of this part with a notice stating the name and address of the person who is to answer them and the name or descriptive title and address of the officer before whom the deposition is to be taken. Within ten (10) days thereafter,

a party so served may serve cross interrogatories upon the party proposing to take the deposition. All errors and irregularities in the notice are waived unless written objection is promptly served upon the party giving the notice.

(b) *Officer to take responses and prepare record.* A copy of the notice and copies of all interrogatories served shall be delivered by the party taking the deposition to the officer designated in the notice, who shall proceed promptly in the manner provided by paragraphs (b), (d) and (e) of § 502.203 to take the testimony of the witness in response to the interrogatories and to prepare, certify, and file or mail the deposition, attaching thereto the copy of the notice and the interrogatories received by him or her.

(c) *Notice of filing.* When the deposition is filed, the party taking it shall promptly give notice thereof to all other parties. [Rule 204.]

§ 502.205 Interrogatories to parties.

(a) *Service; answers.* (1) Any party may serve, pursuant to subpart H of this part, upon any other party written interrogatories to be answered by the party served or, if the party served is a public or private corporation or a partnership or association, by any officer or agent, who shall furnish such information as is available to the party. Any party desiring to serve interrogatories as provided by this section must comply with the applicable provisions of § 502.201 and make service thereof on all parties to the proceeding.

(2) Each interrogatory shall be answered separately and fully in writing under oath, unless it is objected to, in which event the reasons for objection shall be stated in lieu of an answer. The answers are to be signed by the person making them, and the objections signed by the attorney making them.

(3) The party upon whom the interrogatories have been served shall serve a copy of the answers, and objections if any, on all parties to the proceeding under the schedule established pursuant to § 502.201. The presiding officer, for good cause, may limit service of answers.

(b) *Objections to interrogatories.* All objections to interrogatories shall be resolved at the conference or meeting provided for under § 502.201(f) or, if circumstances warrant, by such other procedure as the presiding officer may establish. Written replies to objections to interrogatories shall be permitted only to the extent that the discovery schedule previously established under § 502.201(d) is not delayed.

(c) *Scope, time, number and use.* (1) Interrogatories may relate to any matters which can be inquired into under § 502.201(h), and the answers may be used to the same extent as provided in § 502.209 for the use of the deposition of a party.

(2) Interrogatories may be sought after interrogatories have been answered, but the presiding officer, on motion of the deponent or the party interrogated, may make such protective order as justice may require.

(3) The number of interrogatories or of sets of interrogatories to be served is not limited except as justice requires to protect the party from annoyance, expense, embarrassment, or oppression.

(4) An interrogatory otherwise proper is not necessarily objectionable merely because an answer to the interrogatory involves an opinion or contention that relates to fact or the application of law to fact, but the presiding officer may order that such an interrogatory need not be answered until after designated discovery has been completed or until a prehearing conference or other later time.

(d) *Option to produce business records.* Where the answer to an interrogatory may be derived or ascertained from the business records of the party upon whom the interrogatory has been served or from an examination, audit or inspection of such business records, or from a compilation, abstract or summary based thereon, and the burden of deriving or ascertaining the answer is substantially the same for the party serving the interrogatory as for the party served, it is a sufficient answer to such interrogatory to specify the records from which the answer may be derived or ascertained and to afford to the party serving the interrogatory reasonable opportunity to examine, audit or inspect such records and to

make copies, compilations, abstracts or summaries. [Rule 205.]

§ 502.206 Production of documents and things and entry upon land for inspection and other purposes.

(a) *Scope.* Any party may serve, pursuant to subpart H of this part, on any other party a request (1) to produce and permit the party making the request, or someone acting on its behalf, to inspect and copy any designated documents (including writings, drawings, graphs, charts, photographs, sound or video recordings, and other data compilations from which information can be obtained, translated, if necessary, by the respondent through detection devices into reasonably usable form), or to inspect and copy, test, or sample any tangible things which constitute or contain matters within the scope of § 502.203(a) and which are in the possession, custody or control of the party upon whom the request is served; or (2) to permit entry upon designated land or other property in the possession or control of the party upon whom the request is served for the purpose of inspection and measuring, surveying, photographing, testing, or sampling the property of any designated object or operation thereon, within the scope of § 502.203(a).

(b) *Procedure.* The request shall set forth the items to be inspected either by individual item or by category, and describe each item and category with reasonable particularity. The request shall specify a reasonable time, place, and manner of making the inspection and performing the related acts. Responses shall be served under the schedule established pursuant to § 502.201. The response shall state, with respect to each item or category, that inspection and related activities will be permitted as requested, unless the request is objected to, in which event the reasons for objection shall be stated. Objections to requests for production of documents shall be resolved at the conference or meeting required under § 502.201(f) or, if circumstances warrant, by such other procedure as the presiding officer may establish. Written replies to objections to re-

quests for production of documents shall be permitted only to the extent that the discovery schedule previously established under § 502.201(d) is not delayed. [Rule 206.]

§ 502.207 Requests for admission.

(a)(1) A party may serve, pursuant to subpart H of this part, upon any other party a written request for the admission, for purposes of the pending action only, of the truth of any matters within the scope of § 502.203(a) set forth in the request that relate to statements or opinions of fact or of the application of law to fact, including the genuineness of any documents described in the request. Copies of documents shall be served with the request unless they have been or are otherwise furnished or made available for inspection and copying. Any party desiring to serve a request as provided by this section must comply with the applicable provisions of § 502.201.

(2)(i) Each matter of which an admission is requested shall be separately set forth.

(ii) The matter is admitted unless, within thirty (30) days after service of the request, or within such shorter or longer time as the presiding officer may allow pursuant to § 502.201, the party to whom the request is directed serves upon the party requesting the admission a written answer or objection addressed to the matter, signed by the party or the party's attorney. If objection is made, the reasons therefor shall be stated. The answer shall specifically deny the matter or set forth in detail the reasons why the answering party cannot truthfully admit or deny the matter. A denial shall fairly meet the substance of the requested admission, and when good faith requires that a party qualify the answer or deny only a part of the matter of which an admission is requested, the party shall specify so much of it as is true and qualify or deny the remainder.

(iii) An answering party may not give lack of information or knowledge as a reason for failure to admit or deny unless the party states that reasonable inquiry has been made and that the information known or readily obtainable is insufficient to enable the party to admit or deny. A party who considers

that a matter of which an admission has been requested presents a genuine issue for trial may not, on that ground alone, object to the request; a party may, subject to the provisions of § 502.207(c) deny the matter or set forth reasons why it cannot be admitted or denied.

(3) The party who has requested admissions may request rulings on the sufficiency of the answers or objections. Rulings on such requests shall be issued at a conference called under § 502.201(f) or, if circumstances warrant, by such other procedure as the presiding officer may establish. Unless the presiding officer determines that an objection is justified, the presiding officer shall order that an answer be served. If the presiding officer determines that an answer does not comply with the requirements of this rule, the presiding officer may order either that the matter is admitted or that an amended answer be served. The presiding officer may, in lieu of these orders, determine that final disposition of the request be made at a prehearing conference or at a designated time prior to hearing.

(b) *Effect of admission.* Any matter admitted under this rule is conclusively established unless the presiding officer on motion permits withdrawal or amendment when the presentation of the merits of the action will be subserved thereby and the party who obtained the admission fails to satisfy the presiding officer that withdrawal or amendment will be prejudicial in maintaining the party's action or defense on the merits. Any admission made by a party under this rule is for the purpose of the pending proceeding only and is not an admission for any other purpose, nor may it be used against the party in any other proceeding.

(c) *Expenses on failure to admit.* If a party fails to admit the genuineness of any document or the truth of any matter as requested under paragraph (a) of this section, and if the party requesting the admission thereafter proves the genuineness of the document or the truth of the matter, that party may apply to the presiding officer for an order requiring the other party to pay the reasonable expenses incurred in

making that proof, including reasonable attorney's fees. Such application must be made to the presiding officer before issuance of the initial decision in the proceeding. The presiding officer shall make the order unless it is found that:

(1) The request was held objectionable pursuant to paragraph (a) of this section, or

(2) The admission sought was of no substantial importance, or

(3) The party failing to admit had reasonable ground to believe that it might prevail on the matter, or

(4) There was other good reason for the failure to admit. [Rule 207.]

§ 502.208 Use of discovery procedures directed to Commission staff personnel.

(a) Discovery procedures described in §§ 502.202, 502.203, 502.204, 502.205, 502.206, and 502.207, directed to Commission staff personnel shall be permitted and shall be governed by the procedures set forth in those sections except as modified by paragraphs (b) and (c) of this section. All notices to take depositions, written interrogatories, requests for production of documents and other things, requests for admissions, and any motions in connection with the foregoing, shall be served on the Secretary of the Commission.

(b) The General Counsel shall designate an attorney to represent any Commission staff personnel to whom any discovery requests or motions are directed. The attorney so designated shall not thereafter participate in the Commission's decision-making process concerning any issue in the proceeding.

(c) Rulings of the presiding officer issued under paragraph (a) of this section shall become final rulings of the Commission unless an appeal is filed within ten (10) days after date of issuance of such rulings or unless the Commission on its own motion reverses, modifies, or stays such rulings within twenty (20) days of their issuance. Replies to appeals may be filed within ten (10) days. No motion for leave to appeal is necessary in such instances and no ruling of the presiding officer shall be effective until twenty (20) days from date of issuance unless the Commission otherwise directs. [Rule 208.]

§ 502.209 Use of depositions at hearings.

(a) *General.* At the hearing, any part or all of a deposition, so far as admissible under the rules of evidence, may be used against any party who was present or represented at the taking of the deposition or who had due notice thereof in accordance with any one of the following provisions:

(1) Any deposition may be used by any party for the purpose of contradicting or impeaching the testimony of deponent as a witness.

(2) The deposition of a party or of anyone who at the time of taking the deposition was an officer, director, or duly authorized agent of a public or private corporation, partnership, or association which is a party, may be used by any other party for any purpose.

(3) The deposition of a witness, whether or not a party, may be used by any party for any purpose if the presiding officer finds:

(i) That the witness is dead; or

(ii) That the witness is out of the United States unless it appears that the absence of the witness was procured by the party offering the depositions; or

(iii) That the witness is unable to attend or testify because of age, sickness, infirmity, or imprisonment; or

(iv) That the party offering the deposition has been unable to procure the attendance of the witness by subpoena; or

(v) Upon application and notice, that such exceptional circumstances exist as to make it desirable, in the interest of justice and with due regard to the importance of presenting the testimony of witnesses orally in open hearing, to allow the deposition to be used.

(4) If only part of a deposition is offered in evidence by a party, any other party may require introduction of all of it which is relevant to the part introduced, and any party may introduce any other parts.

(5) Substitution of parties does not affect the right to use depositions previously taken; and, when a proceeding in any hearing has been dismissed and another proceeding involving the same subject matter is afterward brought between the same parties or their representatives or successors in interest,

all depositions lawfully taken and duly filed in the former proceeding may be used in the latter as if originally taken therefor.

(b) *Objections to admissibility.* (1) Except as otherwise provided in this paragraph, objection may be made at the hearing to receiving in evidence any deposition or part thereof for any reason which would require the exclusion of the evidence if the witness were then present and testifying.

(2) Objections to the competency of a witness or to the competency, relevancy, or materiality of testimony are not waived by failure to make them before or during the taking of the deposition, unless the ground of the objection is one which might have been obviated or removed if presented at the time.

(3) Errors and irregularities occurring at the oral examination in the manner of taking the deposition, in the form of the questions or answers, in the oath or affirmation, or in the conduct of parties and errors of any kind which might be obviated, removed, or cured if promptly presented, are waived unless reasonable objection thereto is made at the taking of the deposition.

(4) Objections to the form of written interrogatories submitted under § 502.204 are waived unless served in writing upon the party propounding them within the time allowed for serving the succeeding cross interrogatories.

(c) *Effect of taking or using depositions.* A party shall not be deemed to make a person its own witness for any purpose by taking such person's deposition. The introduction in evidence of the deposition or any part thereof for any purpose other than that of contradicting or impeaching the deponent makes the deponent the witness of the party introducing the deposition, but this shall not apply to the use by any other party of a deposition as described in paragraph (a)(3) of this section. At the hearing, any party may rebut any relevant evidence contained in a deposition whether introduced by it or by any other party. [Rule 209.]

§ 502.210 Refusal to comply with orders to answer or produce documents; sanctions; enforcement.

(a) *Sanctions for failure to comply with order.* If a party or an officer or duly authorized agent of a party refuses to obey an order requiring such party to answer designated questions or to produce any document or other thing for inspection, copying or photographing or to permit it to be done, the presiding officer may make such orders in regard to the refusal as are just, and among others, the following:

(1) An order that the matters regarding which the order was made or any other designated facts shall be taken to be established for the purposes of the action in accordance with the claim of the party obtaining the order;

(2) An order refusing to allow the disobedient party to support or oppose designated claims or defenses, or prohibiting the disobedient party from introducing designated matters in evidence or an order that with respect to matters regarding which the order was made or any other designated fact, inferences will be drawn adverse to the person or party refusing to obey such order;

(3) An order striking out pleadings or parts thereof, or staying further proceedings until the order is obeyed, or dismissing the action or proceeding or any party thereto, or rendering a judgement by default against the disobedient party.

(b) *Enforcement of orders and subpoenas.* In the event of refusal to obey an order or failure to comply with a subpoena, the Attorney General at the request of the Commission, or any party injured thereby may seek enforcement by a United States district court having jurisdiction over the parties. Any action with respect to enforcement of subpoenas or orders relating to depositions, written interrogatories, or other discovery matters shall be taken within twenty (20) days of the date of refusal to obey or failure to comply. A private party shall advise the Commission five (5) days (excluding Saturdays, Sundays and legal holidays) before applying to the court of its intent to seek enforcement of such subpoenas and discovery orders.

(c) *Persons and documents located in a foreign country.* Orders of the presiding officer directed to persons or documents located in a foreign country shall become final orders of the Commission unless an appeal to the Commission is filed within ten (10) days after date of issuance of such orders or unless the Commission on its own motion reverses, modifies, or stays such rulings within twenty (20) days of their issuance. Replies to appeals may be filed within ten (10) days. No motion for leave to appeal is necessary in such instances and no orders of the presiding officer shall be effective until twenty (20) days from date of issuance unless the Commission otherwise directs. [Rule 210.]

Subpart M—Briefs; Requests for Findings; Decisions; Exceptions

§ 502.221 Briefs; requests for findings.

(a) The presiding officer shall fix the time and manner of filing briefs and any enlargement of time. The period of time allowed shall be the same for all parties unless the presiding officer, for good cause shown, directs otherwise.

(b) Briefs shall be served upon all parties pursuant to subpart H of this part.

(c) In investigations instituted on the Commission's own motion, the presiding officer may require the Bureau of Enforcement to file a request for findings of fact and conclusions within a reasonable time prior to the filing of briefs. Service of the request shall be in accordance with the provisions of subpart H of this part.

(d) Unless otherwise ordered by the presiding officer, opening or initial briefs shall contain the following matters in separately captioned sections: (1) Introductory section describing the nature and background of the case, (2) proposed findings of fact in serially numbered paragraphs with reference to exhibit numbers and pages of the transcript, (3) argument based upon principles of law with appropriate citations of the authorities relied upon, and (4) conclusions.

(e) All briefs shall contain a subject index or table of contents with page references and a list of authorities cited.

(f) The presiding officer may limit the number of pages to be contained in a brief. [Rule 221.]

[49 FR 44369, Nov. 6, 1984, as amended at 61 FR 51233, Oct. 1, 1996]

§ 502.222 Requests for enlargement of time for filing briefs.

Requests for enlargement of time within which to file briefs shall conform to the requirements of § 502.102. Except for good cause shown, such requests shall be filed and served pursuant to subpart H of this part not later than five (5) days before the expiration of the time fixed for the filing of the briefs. [Rule 222.]

§ 502.223 Decisions—administrative law judges.

To the administrative law judges is delegated the authority to make and serve initial or recommended decisions. [Rule 223.]

§ 502.224 Separation of functions.

The separation of functions as required by 5 U.S.C. 554(d) shall be observed in proceedings under subparts A to Q inclusive, of this part. [Rule 224.]

§ 502.225 Decisions—contents and service.

All initial, recommended, and final decisions will include a statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues of fact, law, or discretion presented on the record, and the appropriate rule, order, sanction, relief, or denial thereof. A copy of each decision when issued shall be served on the parties to the proceeding. In proceedings involving overcharge claims, the presiding officer may, where appropriate, require that the carrier publish notice in its tariff of the substance of the decision. This provision shall also apply to decisions issued pursuant to subpart T of this part. [Rule 225.]

§ 502.226 Decision based on official notice; public documents.

(a) Official notice may be taken of such matters as might be judicially no-

ticed by the courts, or of technical or scientific facts within the general knowledge of the Commission as an expert body, provided, that where a decision or part thereof rests on the official notice of a material fact not appearing in the evidence in the record, the fact of official notice shall be so stated in the decision, and any party, upon timely request, shall be afforded an opportunity to show the contrary.

(b) Whenever there is offered in evidence (in whole or in part) a public document, such as an official report, decision, opinion, or published scientific or economic statistical data issued by any of the executive departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corporations), or a similar document issued by a state or its agencies, and such document (or part thereof) has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but may be offered in evidence as a public document by specifying the document or relevant part thereof. [Rule 226.]

§ 502.227 Exceptions to decisions or orders of dismissal of administrative law judges; replies thereto; and review of decisions or orders of dismissal by Commission.

(a)(1) Within twenty-two (22) days after date of service of the initial decision, unless a shorter period is fixed under § 502.103, any party may file a memorandum excepting to any conclusions, findings, or statements contained in such decision, and a brief in support of such memorandum. Such exceptions and brief shall constitute one document, shall indicate with particularity alleged errors, shall indicate transcript page and exhibit number when referring to the record, and shall be served on all parties pursuant to subpart H of this part.

(2) Any adverse party may file and serve a reply to such exceptions within twenty-two (22) days after the date of service thereof, which shall contain appropriate transcript and exhibit references.

(3) Whenever the officer who presided at the reception of the evidence, or

other qualified officer, makes an initial decision, such decision shall become the decision of the Commission thirty (30) days after date of service thereof (and the Secretary shall so notify the parties), unless within such 30-day period, or greater time as enlarged by the Commission for good cause shown, request for review is made in exceptions filed or a determination to review is made by the Commission on its own initiative.

(4) Upon the filing of exceptions to, or review of, an initial decision, such decision shall become inoperative until the Commission determines the matter.

(5) Where exceptions are filed to, or the Commission reviews, an initial decision, the Commission, except as it may limit the issues upon notice or by rule, will have all the powers which it would have in making the initial decision. Whenever the Commission shall determine to review an initial decision on its own initiative, notice of such intention shall be served upon the parties.

(6) The time periods for filing exceptions and replies to exceptions, prescribed by this section, shall not apply to proceedings conducted under §§ 502.67 and 502.75.

(b)(1) If an administrative law judge has granted a motion for dismissal of the proceeding in whole or in part, any party desiring to appeal must file such appeal no later than twenty-two (22) days after service of the ruling on the motion in question.

(2) Any adverse party may file and serve a reply to an appeal under this paragraph within twenty-two (22) days after the appeal is served.

(3) The denial of a petition to intervene or withdrawal of a grant of intervention shall be deemed to be a dismissal within the meaning of this paragraph.

(c) Whenever an administrative law judge orders dismissal of a proceeding in whole or in part, such order, in the absence of appeal, shall become the order of the Commission thirty (30) days after date of service of such order (and the Secretary shall so notify the parties), unless within such 30-day period the Commission decides to review such order on its own motion, in which

case notice of such intention shall be served upon the parties.

(d) The Commission shall not, on its own initiative, review any initial decision or order of dismissal unless such review is requested by an individual Commissioner. Any such request must be transmitted to the Secretary within thirty (30) days after date of service of the decision or order. Such request shall be sufficient to bring the matter before the Commission for review. [Rule 227.]

[49 FR 44369, Nov. 6, 1984, as amended at 58 FR 27211, May 7, 1993]

§ 502.228 Request for enlargement of time for filing exceptions and replies thereto.

Requests for enlargement of time within which to file exceptions, and briefs in support thereof, or replies to exceptions shall conform to the applicable provisions of § 502.102. Requests for extensions of these periods will be granted only under exceptional circumstances duly demonstrated in the request. Except for good cause shown, such requests shall be filed and served not later than five (5) days before the expiration of the time fixed for the filing of such documents. Any enlargement of time granted will automatically extend by the same period the date for the filing of notice or review by the Commission. [Rule 228.]

§ 502.229 Certification of record by presiding or other officer.

The presiding or other officer shall certify and transmit the entire record to the Commission when (a) exceptions are filed or the time therefor has expired, (b) notice is given by the Commission that the initial decision will be reviewed on its own initiative, or (c) the Commission requires the case to be certified to it for initial decision. [Rule 229.]

§ 502.230 Reopening by presiding officer or Commission.

(a) *Motion to reopen.* At any time after the conclusion of a hearing in a proceeding, but before issuance by the presiding officer of a recommended or initial decision, any party to the proceeding may file with the presiding officer a motion to reopen the proceeding

for the purpose of receiving additional evidence. A motion to reopen shall be served in conformity with the requirements of subpart H and shall set forth the grounds requiring reopening of the proceeding, including material changes of fact or of law alleged to have occurred since the conclusion of the hearing.

(b) *Reply*. Within ten (10) days following service of a motion to reopen, any party may reply to such motion.

(c) *Reopening by presiding officer*. At any time prior to filing his or her decision, the presiding officer upon his or her own motion may reopen a proceeding for the reception of further evidence.

(d) *Reopening by the Commission*. Where a decision has been issued by the presiding officer or where a decision by the presiding officer has been omitted, but before issuance of a Commission decision, the Commission may, after petition and reply in conformity with paragraphs (a) and (b) of this section, or upon its own motion, reopen a proceeding for the purpose of taking further evidence.

(e) *Remand by the Commission*. Nothing contained in this rule shall preclude the Commission from remanding a proceeding to the presiding officer for the taking of additional evidence or determining points of law. [Rule 230.]

Subpart N—Oral Argument; Submission for Final Decision

§ 502.241 Oral argument.

(a) The Commission may hear oral argument either on its own motion or upon the written request of a party. If oral argument before the Commission is desired on exceptions to an initial or recommended decision, or on a motion, petition, or application, a request therefor shall be made in writing. Any party may make such a request irrespective of its filing exceptions under § 502.227. If a brief on exceptions is filed, the request for oral argument shall be incorporated in such brief. Requests for oral argument on any motion, petition, or application shall be made in the motion, petition, or application, or in the

reply thereto. If the Commission determines to hear oral argument, a notice will be issued setting forth the order of presentation and the amount of time allotted to each party.

(b)(1) Requests for oral argument will be granted or denied in the discretion of the Commission.

(2) Parties requesting oral argument shall set forth the specific issues they propose to address at oral argument.

(c) Those who appear before the Commission for oral argument shall confine their argument to points of controlling importance raised on exceptions or replies thereto. Where the facts of a case are adequately and accurately dealt with in the initial or recommended decision, parties should, as far as possible, address themselves in argument to the conclusions.

(d) Effort should be made by parties taking the same position to agree in advance of the argument upon those persons who are to present their side of the case, and the names of such persons and the amount of time requested should be received by the Commission not later than ten (10) days before the date set for the argument. The fewer the number of persons making the argument the more effectively can the parties' interests be presented in the time allotted. [Rule 241.]

[49 FR 44369, Nov. 6, 1984, as amended at 52 FR 4144, Feb. 10, 1987]

§ 502.242 Submission to Commission for final decision.

A proceeding will be deemed submitted to the Commission for final decision as follows: (a) If oral argument is had, the date of completion thereof, or if memoranda on points of law are permitted to be filed after argument, the last date of such filing; (b) if oral argument is not had, the last date when exceptions or replies thereto are filed, or if exceptions are not filed, the expiration date for such exceptions; (c) in the case of an initial decision, the date of notice of the Commission's intention to review the decision, if such notice is given. [Rule 242.]

§ 502.243 Participation of absent Commissioner.

Any Commissioner who is not present at oral argument and who is

otherwise authorized to participate in a decision shall participate in making that decision after reading the transcript of oral argument unless he or she files in writing an election not to participate. [Rule 243.]

Subpart O—Reparation

§ 502.251 Proof on award of reparation.

If many shipments or points of origin or destination are involved in a proceeding in which reparation is sought (See § 502.63), the Commission will determine in its decision the issues as to violations, injury to complainant, and right to reparation. If complainant is found entitled to reparation, the parties thereafter will be given an opportunity to agree or make proof respecting the shipments and pecuniary amount of reparation due before the order of the Commission awarding reparation is entered. In such cases, freight bills and other exhibits bearing on the details of all shipments, and the amount of reparation on each, need not be produced at the original hearing unless called for or needed to develop other pertinent facts. [Rule 251.]

§ 502.252 Reparation statements.

When the Commission finds that reparation is due, but that the amount cannot be ascertained upon the record before it, the complainant shall immediately prepare a statement in accordance with the approved reparation statement in Exhibit No. 1 to this subpart, showing details of the shipments on which reparation is claimed. This statement shall not include any shipments not covered by the findings of the Commission. Complainant shall forward the statement, together with the paid freight bills on the shipments, or true copies thereof, to the respondent or other person who collected the charges for checking and certification as to accuracy. Statements so prepared and certified shall be filed with the Commission for consideration in determining the amount of reparation due. Disputes concerning the accuracy of amounts may be assigned for conference by the Commission, or in its discretion referred for further hearing. [Rule 252.]

§ 502.253 Interest in reparation proceedings.

Except as to applications for refund or waiver of freight charges under § 502.92 and claims which are settled by agreement of the parties, and absent fraud or misconduct of a party, interest granted on awards of reparation in complaint proceedings instituted under the Shipping Act of 1984, the Shipping Act, 1916, and the Intercoastal Shipping Act, 1933, will accrue from the date of injury to the date specified in the Commission order awarding reparation. Compounding will be daily from the date of injury to the date specified in the Commission order awarding reparation. Normally, the date specified within which payment must be made will be fifteen (15) days subsequent to the date of service of the Commission order.

(a) On awards of reparation granted under the Shipping Act of 1984, or the Shipping Act, 1916, interest shall be computed on the basis of the average monthly secondary market rate on six-month U.S. Treasury bills commencing with the rate for the month that the injury occurred and concluding with the latest available monthly U.S. Treasury bill rate at the date of the Commission order awarding reparation. The monthly secondary market rates on six-month U.S. Treasury bills for the reparation period will be summed up and divided by the number of months for which interest rates are available in the reparation period to determine the average interest rate applicable during the period.

(b) On refunds ordered under section 3(c)(2) and awards of reparation granted under section 4 of the Intercoastal Shipping Act, 1933 interest shall be computed on the basis of the average of the prime rate charged by major banks, as published by the Board of Governors of the Federal Reserve System during the period to which the reparation applies. (Rule 253.)

[56 FR 47001, Sept. 17, 1991]

Pt. 502, Subpt O, Exh. I Attorney's fees in reparation proceedings.

(a) *Scope.* Except for proceedings under subpart S of this part, the Commission shall, upon petition, award the

complainant reasonable attorney's fees directly related to obtaining a reparations award in any complaint proceeding under section 11 of the Shipping Act of 1984. For purposes of this section, "attorney's fees" includes the fair market value of the services of any person permitted to appear and practice before the Commission in accordance with subpart B of this part, and may include compensation for services rendered the complainant in a related proceeding in Federal court that is useful and necessary to the determination of a reparations award in the complaint proceeding.

(b) *Content of petitions.* Petitions for attorney's fees under this section shall specify the number of hours claimed by each person representing the complainant at each identifiable stage of the proceeding, and shall be supported by evidence of the reasonableness of hours claimed and the customary fees charged by attorneys and associated legal representative in the community where the petitioner practices. Requests for additional compensation must be supported by evidence that the customary fees for the hours reasonably expended on the case would result in an unreasonable fee award.

(c) *Filing of petition.* (1) Petitions for attorney's fees shall be filed within 30 days of a final reparation award:

(i) With the presiding officer where the presiding officer's decision awarding reparations became administratively final pursuant to §502.227(a)(3) of this part; or

(ii) With the Commission, if exceptions were filed to, or the Commission reviewed, the presiding officer's reparation award decision pursuant to §502.227 of this part.

(2) For purposes of this section, a reparation award shall be considered final after a decision disposing of the merits of a complaint is issued and the time for the filing of court appeals has run or after a court appeal has terminated.

(d) *Replies to petitions.* Within 20 days of filing of the petition, a reply to the petition may be filed by the respondent, addressing the reasonableness of any aspect of the petitioner's claim. A respondent may also suggest adjustments to the claim under the criteria stated in paragraph (b) of this section.

(e) *Ruling on petitions.* Upon consideration of a petition and any reply thereto, the Commission or the presiding officer shall issue an order stating the total amount of attorney's fees awarded. The order shall specify the hours and rate of compensation found awardable and shall explain the basis for any additional adjustments. An award order shall be served within 60 days of the date of the filing of the reply to the petition or expiration of the reply period; except that in cases involving a substantial dispute of facts critical to the award determination, the Commission or presiding officer may hold a hearing on such issues and extend the time for issuing a fee award order by an additional 30 days. The Commission or the presiding officer may adopt a stipulated settlement of attorney's fees.

(f) In cases where the presiding officer issues an award order, appeal of that order and Commission review of that order in the absence of appeal shall be governed by the procedures of §502.227 of this part. [Rule 254.]

Subpart R—Nonadjudicatory Investigations

§ 502.281 Investigational policy.

The Commission has extensive regulatory duties under the various acts it is charged with administering. The conduct of investigations is essential to the proper exercise of the Commission's regulatory duties. It is the purpose of this subpart to establish procedures for the conduct of such investigations which will insure protection of the public interest in the proper and effective administration of the law. The Commission encourages voluntary cooperation in its investigations where such can be effected without delay or

without prejudice to the public interest. The Commission may, in any matter under investigation, invoke any or all of the compulsory processes authorized by law. [Rule 281.]

§ 502.282 Initiation of investigations.

Commission inquiries and nonadjudicatory investigations are originated by the Commission upon its own motion when in its discretion the Commission determines that information is required for the purposes of rule-making or is necessary or helpful in the determination of its policies or the carrying out of its duties, including whether to institute formal proceedings directed toward determining whether any of the laws which the Commission administers have been violated. [Rule 282.]

§ 502.283 Order of investigation.

When the Commission has determined that an investigation is necessary, an Order of Investigation shall be issued. [Rule 283.]

§ 502.284 By whom conducted.

Investigations are conducted by Commission representatives designated and duly authorized for the purpose. (See § 502.25.) Such representatives are authorized to exercise the duties of their office in accordance with the laws of the United States and the regulations of the Commission, including the resort to all compulsory processes authorized by law, and the administration of oaths and affirmances in any matters under investigation by the Commission. [Rule 284.]

§ 502.285 Investigational hearings.

(a) Investigational hearings, as distinguished from hearings in adjudicatory proceedings, may be conducted in the course of any investigation undertaken by the Commission, including inquiries initiated for the purpose of determining whether or not a person is complying with an order of the Commission.

(b) Investigational hearings may be held before the Commission, one or more of its members, or a duly designated representative, for the purpose of hearing the testimony of witnesses and receiving documents and other

data relating to any subject under investigation. Such hearings shall be stenographically reported and a transcript thereof shall be made a part of the record of investigation. [Rule 285.]

§ 502.286 Compulsory process.

The Commission, or its designated representative may issue orders or subpoenas directing the person named therein to appear before a designated representative at a designated time and place to testify or to produce documentary evidence relating to any matter under investigation, or both. Such orders and subpoenas shall be served in the manner provided in § 502.134. [Rule 286.]

§ 502.287 Depositions.

The Commission, or its duly authorized representative, may order testimony to be taken by deposition in any investigation at any stage of such investigation. Such depositions may be taken before any person designated by the Commission having the power to administer oaths. Such testimony shall be reduced to writing by the person taking the deposition or under his or her direction, and shall then be subscribed by the deponent. Any person may be compelled to appear and be deposed and to produce evidence in the same manner as witnesses may be compelled to appear and testify and produce documentary evidence as provided in § 502.131. [Rule 287.]

[49 FR 44369, Nov. 6, 1984; 49 FR 47394, Dec. 4, 1984]

§ 502.288 Reports.

The Commission may issue an order requiring a person to file a report or answers in writing to specific questions relating to any matter under investigation. [Rule 288.]

§ 502.289 Noncompliance with investigational process.

In case of failure to comply with Commission investigational processes, appropriate action may be initiated by the Commission, including actions for enforcement by the Commission or the Attorney General and forfeiture of penalties or criminal actions by the Attorney General. [Rule 289.]

§ 502.290 Rights of witness.

Any person required to testify or to submit documentary evidence shall be entitled to retain or, on payment of lawfully prescribed cost, procure a copy of any document produced by such person and of his or her own testimony as stenographically reported or, in the depositions, as reduced to writing by or under the direction of the person taking the deposition. Any party compelled to testify or to produce documentary evidence may be accompanied and advised by counsel, but counsel may not, as a matter of right, otherwise participate in the investigation. [Rule 290.]

§ 502.291 Nonpublic proceedings.

Unless otherwise ordered by the Commission, all investigatory proceedings shall be nonpublic. [Rule 291.]

Subpart S—Informal Procedure for Adjudication of Small Claims

§ 502.301 Statement of policy.

(a) Section 11(a) of the Shipping Act of 1984 permits any person to file a complaint with the Commission claiming a violation occurring in connection with the foreign commerce of the United States and to seek reparation for any injury caused by that violation.

(b) Section 22 of the Shipping Act, 1916, permits any person to file a complaint against any common carrier by water in interstate and offshore domestic commerce or against any other person subject to the Shipping Act, 1916, or the Intercoastal Shipping Act, 1933, claiming a violation of those statutes and to seek reparation for that violation.

(c) With the consent of both parties, claims filed under this subpart in the amount of \$10,000 or less will be referred to the Commission's Informal Dockets Activity for adjudication and decision by its Settlement Officers without the necessity of formal proceedings under the rules of this part.

(d) Determination of claims under this subpart shall be administratively final and conclusive. [Rule 301.]

§ 502.302 Limitations of actions.

(a) Claims alleging violations of the Shipping Act of 1984 must be filed within three years from the time the cause of action accrues.

(b) Claims alleging violations of the Shipping Act, 1916, or Intercoastal Shipping Act, 1933, must be filed within two years from the time the cause of action arises.

(c) A claim is deemed filed on the date it is received by the Commission. [Rule 302.]

§ 502.303 [Reserved]**§ 502.304 Procedure and filing fee.**

(a) A sworn claim under this subpart shall be filed in the form prescribed in Exhibit No. 1 to this subpart. Three (3) copies of this claim must be filed, together with the same number of copies of such supporting documents as may be deemed necessary to establish the claim. Copies of tariff pages need not be filed; reference to such tariffs or to pertinent parts thereof will be sufficient. Supporting documents may consist of affidavits, correspondence, bills of lading, paid freight bills, export declarations, dock or wharf receipts, or of such other documents as, in the judgment of the claimant, tend to establish the claim. The Settlement Officer may, if deemed necessary, request additional documents or information from claimants. Claimant may attach a memorandum, brief or other document containing discussion, argument, or legal authority in support of its claim. If a claim filed under this subpart involves any shipment which has been the subject of a previous claim filed with the Commission, formally or informally, full reference to such previous claim must be given.

(b) Claims under this subpart shall be addressed to the Office of the Secretary, Federal Maritime Commission, Washington, DC 20573. Such claims shall be accompanied by remittance of a \$68 filing fee.

(c) Each claim under this subpart will be acknowledged with a reference to the Informal Docket Number assigned. The number shall consist of a numeral(s) followed by capital "I" in parentheses. All further correspondence pertaining to such claims must

refer to the assigned Informal Docket Number. If the documents filed fail to establish a claim for which relief may be granted, the parties affected will be so notified in writing. The claimant may thereafter, but only if the period of limitation has not run, resubmit its claim with such additional proof as may be necessary to establish the claim. In the event a complaint has been amended because it failed to state a claim upon which relief may be granted, it will be considered as a new complaint.

(d) A copy of each claim filed under this subpart, with attachments, shall be served by the Settlement Officer on the respondent involved.

(e) Within twenty-five (25) days from the date of service of the claim, the respondent shall serve upon the claimant and file with the Commission its response to the claim, together with an indication, in the form prescribed in Exhibit No. 2 to this subpart, as to whether the informal procedure provided in this subpart is consented to. Failure of the respondent to indicate refusal or consent in its response will be conclusively deemed to indicate such consent. The response shall consist of documents, arguments, legal authorities, or precedents, or any other matters considered by the respondent to be a defense to the claim. The Settlement Officer may request the respondent to furnish such further documents or information as deemed necessary, or he or she may require the claimant to reply to the defenses raised by the respondent.

(f) If the respondent refuses to consent to the claim being informally adjudicated pursuant to this subpart, the claim will be considered a complaint under § 502.311 and will be adjudicated under subpart T of this part.

(g) Both parties shall promptly be served with the Settlement Officer's decision which shall state the basis upon which the decision was made. Where appropriate, the Settlement Officer may require that the respondent publish notice in its tariff of the substance of the decision. This decision shall be final, unless, within thirty (30) days from the date of service of the decision, the Commission exercises its discretionary right to review the deci-

sion. The Commission shall not, on its own initiative, review any decision or order of dismissal unless such review is requested by an individual Commissioner. Any such request must be transmitted to the Secretary within thirty (30) days after date of service of the decision or order. Such request shall be sufficient to bring the matter before the Commission for review.

(h) Within thirty (30) days after service of a final decision by a Settlement Officer, any party may file a petition for reconsideration. Such petition shall be directed to the Settlement Officer and shall act as a stay of the review period prescribed in paragraph (g) of this section. A petition will be subject to summary rejection unless it: (1) Specifies that there has been a change in material fact or in applicable law, which change has occurred after issuance of the decision or order; (2) identifies a substantive error in material fact contained in the decision or order; (3) addresses a material matter in the Settlement Officer's decision upon which the petitioner has not previously had the opportunity to comment. Petitions which merely elaborate upon or repeat arguments made prior to the decision or order will not be received. Upon issuance of a decision or order on reconsideration by the Settlement Officer, the review period prescribed in paragraph (g) of this section will recommence. [Rule 304.]

Information To Assist in Filing Informal Complaints

Informal Docket procedures are limited to claims of \$10,000 or less and are appropriate only in instances when an evidentiary hearing on disputed facts is not necessary. Where, however, a respondent elects not to consent to the informal procedures [See Exhibit No. 2 to subpart S], the claim will be adjudicated by an administrative law judge under subpart T of Part 502.

Under the Shipping Act of 1984 [for foreign commerce], the claim must be filed within three (3) years from the time the cause of action accrues and may be brought against any person alleged to have violated the 1984 Act to the injury of claimant.

Under the Shipping Act, 1916 and the Intercoastal Shipping Act, 1933 [domestic commerce], the claim must be filed within two (2) years from the time the cause of action accrues and may only be brought against a "person subject to the Act", e.g., a common carrier, terminal operator or freight forwarder.

A violation of a specific section of a particular shipping statute must be alleged.

The format of Exhibit No. 1 must be followed and a verification must be included. (See §§502.21–502.32, 502.112, and 502.304.) An original and two (2) copies of the claim *and all attachments*, including a brief in support of the claim, must be submitted.

The Commission shall not, on its own initiative, review any decision or order of dismissal unless such review is requested by an individual Commissioner. § 502.321 Applicability of other rules of this part.

Except as specifically provided in this subpart, rules in subparts A through Q, inclusive, of this part do not apply to situations covered by this subpart. [Rule 321.]

Subpart U—Conciliation Service

§ 502.401 Definitions.

For purposes of this subpart:

(a) *Disputes* means disagreements between two or more parties arising from the transportation of goods or the performance of services in connection with such transportation in the domestic offshore commerce or the foreign commerce of the United States; a difference of opinion regarding the interpretation of any tariff, rate, rule, or regulation; a disagreement regarding the performance of any service in connection with such transportation; a disagreement with respect to an alleged violation of the shipping statutes; and other disagreement or opposing opinion regarding any matter connected with transportation of cargoes in the waterborne commerce of the United States. This definition is limited to those disputes which fall within the jurisdiction of the Federal Maritime Commission.

(b) *Shipping statutes* means the Shipping Act of 1984, 46 U.S.C. app. 1701-1720; Shipping Act, 1916, 46 U.S.C. app. 801 et seq.; Merchant Marine Act, 1936, 46 U.S.C. app. 1101 et seq.; Merchant Marine Act, 1920, 46 U.S.C. app. 861 et seq., the Intercoastal Shipping Act, 1933, 46 U.S.C. app. 843 et seq.; and amendments of and Acts relating to the foregoing, to the extent of the Federal Maritime Commission's jurisdiction under such Acts.

(c) *Advisory opinions* means non-binding conclusions reached by a conciliator on the basis of oral presentation and/or documentary authority.

(d) *Domestic offshore commerce* means waterborne common carriage between:

(1) The Continental United States and Alaska or Hawaii;

(2) Alaska and Hawaii;

(3) The United States or the District of Columbia and any territory, commonwealth, possession or district (excluding the District of Columbia);

(4) Any territory, commonwealth, possession or district (excluding the District of Columbia) and any other such territory, commonwealth, possession or district; and

(5) Places in the same district, territory, commonwealth or possession (excluding the District of Columbia); and which are not solely engaged in transportation subject to the jurisdiction of the Interstate Commerce Commission under 49 U.S.C. chapter 105.

(e) *Foreign commerce* means waterborne common carriage between the United States or any of its territories, commonwealths, districts or possessions, and a foreign country. [Rule 401.]

§ 502.402 Policy.

It is the policy of the Federal Maritime Commission:

(a) To offer its good offices and expertise to parties to disputes involving matters within its jurisdiction, so as to permit resolution of such disputes with dispatch and without the necessity of costly and time-consuming formal proceedings;

(b) To facilitate and promote the resolution of problems and disputes by encouraging affected parties to resolve differences through their own resources;

(c) To create a forum in which grievances, interpretations, problems, and questions involving the waterborne commerce of the United States may be aired, discussed and, hopefully, resolved to the mutual advantage of all concerned parties. [Rule 402.]

§ 502.403 Persons eligible for service.

Request for conciliation service may be made by any shipper, shippers' association, merchant, carrier, conference of carriers, freight forwarder, marine terminal operator, Government agency, or any other person affected by or involved in the transportation of goods by common carrier in the waterborne domestic offshore or foreign commerce of the United States. [Rule 403.]

§ 502.404 Procedure and fee.

(a) The request for conciliation should be addressed to the Federal Maritime Commission Conciliation Service, Washington, DC 20573, and should contain the details of the dispute, names and addresses of all involved parties, the contentions of each party or parties, and copies of any documents that are relevant to the disposition of the issues. If the request is made by any one party to the dispute, the party requesting conciliation should mail or deliver to the other party or parties to the dispute a copy of the letter of request, with attachments, if any. The request shall be accompanied by remittance of a \$61 service fee.

(b) Each matter will be assigned a number prefixed by the letters FMCCS and assigned to a conciliator for disposition and the involved parties will be informed of the case number and the name of the conciliator.

(c) While it is preferable that all parties involved in a dispute request a service jointly, a request by a single party for the service will be acted upon, provided all parties agree that the dispute should be conciliated. In the event that the request is made by only one party, the conciliator will contact the other party or parties to the dispute and be advised as to whether such parties agree to participate in the conciliation. If the other party or parties to the dispute do not agree to

the Conciliation Service, no further action will be taken by the conciliator and the conciliation ceases.

(d) The parties will be free to determine the best procedures to be used with the qualification that the conciliator may disapprove procedures that would in his or her opinion be either too time-consuming or involve inordinate expense to the Federal Maritime Commission. The parties may agree to (1) fix a time and place for the oral presentation of each party's contention; and (2) request affidavits, documents, or other materials that could help resolve the dispute. The conciliator will be in a strictly advisory capacity. There will be no written record of the conciliation discussions.

(e) Participation in the conciliation of a dispute is purely voluntary at all stages and the parties involved may withdraw at any time without prejudice. [Rule 404.]

[49 FR 44369, Nov. 6, 1984, as amended at 59 FR 59170, Nov. 16, 1994]

§ 502.405 Assignment of conciliator.

The Secretary of the Commission, giving due regard to the type and complexity of the problem presented and the degree of expertise required, will assign a conciliator to each dispute. [Rule 405.]

§ 502.406 Advisory opinion.

(a) The conciliator will write an advisory opinion that must meet the approval of all parties. If the advisory opinion, or revision thereof requested by one or more of the parties, is not unanimously agreed upon, then the conciliation will cease, without prejudice to any of the parties involved. If unanimity is not reached, the conciliator will note in a report to the Commission, which shall be served on all parties, that the parties failed to reach agreement. Only if unanimity is reached will the informal advisory opinion, although not binding, be sent to all interested parties and be made available to the public.

(b) There will be no appeal from, or review of, such opinions and any party may pursue any further course of action under any other rule or statute that it deems advisable. [Rule 406.]

Subpart V—Implementation of the Equal Access to Justice Act in Commission Proceedings

SOURCE: 52 FR 28264, July 29, 1987, unless otherwise noted.

§ 502.501 General provisions.

(a) *Purpose.* The Equal Access to Justice Act, 5 U.S.C. 504 ('EAJA'), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called "adversary adjudications") before the Federal Maritime Commission ("the Commission"). An eligible party may receive an award when it prevails over an agency, unless the agency's position was substantially justified or special circumstances make an award unjust. The rules in this subpart describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Commission will use to make them.

(b) *When EAJA applies.* EAJA applies to any adversary adjudication:

(1) Pending or commenced before the Commission on or after August 5, 1985;

(2) Commenced on or after October 1, 1984, and finally disposed of before August 5, 1985, provided that an application for fees and expenses, as described in § 502.502 of this subpart, has been filed with the Commission within 30 days after August 5, 1985; or

(3) Pending on or commenced on or after October 1, 1981, in which an application for fees and other expenses was timely filed and was dismissed for lack of jurisdiction.

(c) *Proceedings covered.* (1)(i) EAJA applies to adversary adjudications conducted by the Commission under this part. These are adjudications under 5 U.S.C. 554 in which the position of this or any other agency of the United States, or any component of any agency, is presented by an attorney or other representative who enters an appearance and participates in the proceeding.

(ii) Any proceeding in which the Commission may prescribe a lawful present or future rate is not covered by the Act.

(iii) Proceedings to grant or renew licenses are also excluded, but proceedings to modify, suspend, or revoke licenses are covered if they are otherwise “adversary adjudications.”

(2) The Commission’s failure to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the EAJA; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(3) If a proceeding includes both matters covered by EAJA and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

(d) *Eligibility of applicants.* (1) To be eligible for an award of attorney fees and other expenses under EAJA, the applicant must be a party to the adversary adjudication for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show that it meets all conditions of eligibility set out in this section and § 502.502.

(2) The types of eligible applicants are:

(i) An individual with a net worth of not more than \$2 million;

(ii) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and not more than 500 employees;

(iii) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(iv) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; and

(v) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than \$7 million and not more than 500 employees.

(3) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(4) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole

owner of an unincorporated business” if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(5) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant’s direction and control. Part-time employees shall be included on a proportional basis.

(6) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interests of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interests, will be considered an affiliate for purposes of this subpart, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of EAJA in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(7) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

(e) *Standards for awards.* (1) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding or in a significant and discrete substantive portion of the proceeding, unless the position of the agency over which the applicant has prevailed was substantially justified. The position of the agency includes, in addition to the position taken by the agency in the adversary adjudication, the action or failure to act by the agency upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant is on agency counsel.

(2) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

(f) *Allowable fees and expenses.* (1) Awards will be based on rates customarily charged by the persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(2) No award for the fee of an attorney or agent under this subpart may exceed \$75.00 per hour. No award to compensate an expert witness may exceed the highest rate at which the Commission pays expert witnesses. However, an award may also include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(3) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(i) If the attorney, agent or witness is in private practice, his or her customary fees for similar services, or, if an employee of the applicant, the fully allocated costs of the services;

(ii) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;

(iii) The time actually spent in the representation of the applicant;

(iv) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(v) Such other factors as may bear on the value of the services provided.

(4) The reasonable cost of any study, analysis, engineering report, test project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the services does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of applicant's case.

(g) *Awards against other agencies.* If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Commission

and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

§ 502.502 Information required from applicants.

(a) *Contents of petition.* (1) An application for an award of fees and expenses under EAJA shall be by petition under § 502.69 of this part, shall clearly indicate that the application is made under EAJA, and shall identify the applicant and the proceeding (including docket number) for which an award is sought. The application shall show that the applicant has prevailed and identify the position of an agency or agencies that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(2) The petition shall also include a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(i) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(ii) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(3) The petition shall state the amount of fees and expenses for which an award is sought.

(4) The petition may also include any other matters that the applicant wishes the Commission to consider in determining whether and in what amount an award should be made.

(5) The petition shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written

verification under oath or under penalty of perjury that the information provided in the application is true and correct.

(b) *Net worth exhibit.* (1) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its petition a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 502.501(d)(6) of this subpart) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this subpart. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(2) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b)(1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Commission's established procedures under the Freedom of

Information Act under §§ 503.31–503.43 of this chapter.

(c) *Documentation of fees and expenses.* The petition shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rates at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

(d) *When a petition may be filed.* (1) A petition may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Commission's final disposition of the proceeding.

(2) For purposes of this subpart, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, becomes final and unappealable, both within the Commission and to the courts.

(3) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have

been finally determined pursuant to the appeal.

§ 502.503 Procedures for considering petitions.

(a) *Filing and service of documents.* (1) Any petition for an award or other pleading or document related to a petition shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 502.502(b)(2) (confidential financial information).

(2) The petition and all other pleadings or documents related to the petition will be referred to an Administrative Law Judge to initially decide the matter as adjudicative officer.

(b) *Reply to petition.* (1) Within 30 days after service of a petition, counsel representing the agency against which an award is sought may file a reply to the petition. Unless counsel requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b)(2) of this section, failure to file a reply within the 30-day period may be treated as a consent to the award requested.

(2) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing a reply for an additional 30 days, and further extension may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(3) The reply shall explain in detail any objections to the award requested and identify the facts relied on in support of counsel's position. If the reply is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the reply either supporting affidavits or a request for further proceedings under paragraph (f) of this section.

(c) *Response to reply.* Within 15 days after service of a reply, the applicant may file a response. If the response is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the response either supporting affidavits or a request for further proceedings under paragraph (f) of this section.

(d) *Comments by other parties.* Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served, or on a reply, within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comments.

(e) *Settlement.* The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded in accordance with the rules of this subpart pertaining to settlement. If a prevailing party and agency counsel agree on a proposed settlement of an award before a petition is filed, the petition shall be filed with the proposed settlement.

(f) *Further proceedings.* (1) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether or not the position of the agency was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(2) A request that the adjudicative officer order further proceedings under this section shall specifically identify the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

(g) *Decision.* The adjudicative officer shall serve an initial decision on the application within 60 days after completion of proceedings on the application. The decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the agency's position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reason for the allocation made.

(h) *Commission review.* Either the applicant or agency counsel may seek review of the initial decision on the fee application, or the Commission may decide to review the decision on its own initiative, in accordance with § 502.227 of this part. If neither the applicant nor agency counsel seeks review and the Commission does not take review on its own initiative, the initial decision on the application shall become a final decision of the Commission 30 days after it is issued. Whether to review a decision is a matter within the discretion of the Commission. If review is taken, the Commission will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

(i) *Judicial review.* Judicial review of final Commission decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

(j) *Payment of award.* (1)(i) An applicant seeking payment of an award shall submit to the comptroller or other disbursing officer of the paying agency a copy of the Commission's final decision granting the award, accompanied by a certification that the applicant will not seek review of the decision in the United States courts.

(ii) The agency will pay the amount awarded to the applicant within 60 days.

(2) Where the Federal Maritime Commission is the paying agency, the application for payment of award shall be submitted to: Office of Budget and Financial Management, Federal Maritime Commission, Washington, DC 20573.

Subpart W—Compromise, Assessment, Mitigation, Settlement, and Collection of Civil Penalties

SOURCE: 49 FR 44418, Nov. 6, 1984, unless otherwise noted. Redesignated at 58 FR 27211, May 7, 1993.

§ 502.601 Purpose and scope.

The purpose of this subpart is to implement the statutory provisions of section 32 of the Shipping Act, 1916, section 19 of the Merchant Marine Act, 1920, section 13 of the Shipping Act of 1984, and sections 2(c) and 3(c) of Public Law 89-777 by establishing rules and regulations governing the compromise, assessment, settlement and collection of civil penalties arising under certain designated provisions of the Shipping Act, 1916, the Merchant Marine Act, 1920, the Intercoastal Shipping Act, 1933, the Shipping Act of 1984, Public Law 89-777, and/or any order, rule or regulation (except for procedural rules and regulations contained in this part) issued or made by the Commission in the exercise of its powers, duties and functions under those statutes.

§ 502.602 Definitions.

For the purposes of this subpart:

(a) *Assessment* means the imposition of a civil penalty by order of the Commission after a formal docketed proceeding.

(b) *Commission* means the Federal Maritime Commission.

(c) *Compromise* means the process whereby a civil penalty for a violation is agreed upon by the respondent and the Commission outside of a formal, docketed proceeding.

(d) *Mitigation* means the reduction, in whole or in part, of the amount of a civil penalty.

(e) *Person* includes individuals, corporations, partnerships, and associations existing under or authorized by

the laws of the United States or of a foreign country.

(f) *Respondent* means any person charged with a violation.

(g) *Settlement* means the process whereby a civil penalty or other disposition of the case for a violation is agreed to in a formal, docketed proceeding instituted by order of the Commission.

(h) *Violation* includes any violation of sections 14 through 21 (except section 16 First and Third) of the Shipping Act, 1916; sections 19(6)(d), 19(7)(d) and 19(11) of the Merchant Marine Act, 1920; section 2 of the Intercoastal Shipping Act, 1933; any provision of the Shipping Act of 1984; sections 2 and 3 of Public Law 89-777; and/or any order, rule or regulation (except for procedural rules and regulations contained in this part) issued or made by the Commission in the exercise of its powers, duties and functions under the Shipping Act, 1916, the Merchant Marine Act, 1920, the Intercoastal Shipping Act, 1933, the Shipping Act of 1984, or Public Law 89-777.

(i) Words in the plural form shall include the singular and vice versa; and words importing the masculine gender shall include the feminine and vice versa. The terms “includes” and “including” do not exclude matters not listed but which are in the same general class. The word “and” includes “or”, except where specifically stated or where the context requires otherwise.

§ 502.603 Assessment of civil penalties: Procedure; criteria for determining amount; limitations; relation to compromise.

(a) *Procedure for assessment of penalty.* The Commission may assess a civil penalty only after notice and opportunity for hearing. Civil penalty assessment proceedings, including settlement negotiations, shall be governed by the Commission’s Rules of Practice and Procedure in this part. All settlements must be approved by the Presiding Officer. The full text of any settlement must be included in the final order of the Commission.

(b) *Criteria for determining amount of penalty.* In determining the amount of any penalties assessed, the Commission shall take into account the nature, cir-

cumstances, extent and gravity of the violation committed and the policies for deterrence and future compliance with the Commission’s rules and regulations and the applicable statutes. The Commission shall also consider the respondent’s degree of culpability, history of prior offenses, ability to pay and such other matters as justice requires.

(c) *Limitations; relation to compromise.* When the Commission, in its discretion, determines that policy, justice or other circumstances warrant, a civil penalty assessment proceeding may be instituted at any time for any violation which occurred within five years prior to the issuance of the order of investigation. Such proceeding may also be instituted at any time after the initiation of informal compromise procedures, except where a compromise agreement for the same violations under the compromise procedures has become effective under § 502.604(e).

§ 502.604 Compromise of penalties: Relation to assessment proceedings.

(a) *Scope.* Except in pending civil penalty assessment proceedings provided for in § 502.603, the Commission, when it has reason to believe a violation has occurred, may invoke the informal compromise procedures of this section.

(b) *Notice.* When the Commission considers it appropriate to afford an opportunity for the compromise of a civil penalty, it will, except when otherwise authorized by the Commission, or where circumstances render it unnecessary, send a registered or certified Notice and Demand Letter (“NDL”) to the respondent. The NDL will describe specific violation(s) on which the claim is based, including the particular facts, dates and other elements necessary for the respondent to identify the specific conduct constituting the alleged violation; the amount of the penalty demanded; and the names of Commission personnel with whom the demand may be discussed, if the person desires to compromise the penalty. The NDL also will state the deadlines for the institution and completion of compromise negotiations and the consequences of failure to compromise.

(c) *Request for compromise.* Any person receiving a NDL provided for in paragraph (b) of this section may, within the time specified, deny the violation, or submit matters explaining, mitigating or showing extenuating circumstances, as well as make voluntary disclosures of information and documents.

(d) *Criteria for compromise.* In addition to the factors set forth in §502.603(b), in compromising a penalty claim, the Commission may consider litigative probabilities, the cost of collecting the claim and enforcement policy.

(e) *Disposition of claims in compromise procedures.* (1) When a penalty is compromised and the respondent agrees to settle for that amount, a compromise agreement shall be executed. (One example of such compromise agreement is set forth as appendix A to this subpart.) This agreement, after reciting the nature of the claim, will include a statement evidencing the respondent's agreement to the compromise of the Commission's penalty claim for the amount set forth in the agreement and will also embody an approval and acceptance provision which is to be signed by the appropriate Commission official. Upon compromise of the penalty in the agreed amount, a duplicate original of the executed agreement shall be furnished to the respondent.

(2) Upon completion of the compromise, the Commission may issue a public notice thereof, the terms and language of which are not subject to negotiation.

(f) *Relation to assessment proceedings.* Except by order of the Commission, no compromise procedure shall be initiated or continued after institution of a Commission assessment proceeding directed to the same violations. Any offer of compromise submitted by the respondent pursuant to this section shall be deemed to have been furnished by the respondent without prejudice and shall not be used against the respondent in any proceeding.

(g) *Delegation of compromise authority.* The compromise authority set forth in this subpart is delegated to the Director, Bureau of Enforcement.
